### **Case 09-03 Failure to report Disciplinary Action (Appeal)**

Staff Attorney Arnold reported that a Hearing is scheduled in Watertown, SD on February 29, 2012 at 11:00 a.m. Staff Attorney Arnold will not attend as the Board has contracted with outside legal counsel for this appeal. Neugebauer asked if any of the Board needs to attend in person. Arnold stated if someone is available they should attend. Neugebauer asked how long appeals hearings last and Staff Attorney Arnold stated that it takes approximately 30 minutes. The judge usually issues an oral decision on the same day as the hearing and Humphreys is to email the Board if a decision is issued.

### **Case 09-06 Competency and Professional Conduct**

Investigative committee needs to schedule a meeting on this case.

### **Case 09-07 Competency and Professional Conduct**

Neugebauer stated case is currently on hold.

### **Case 11-02 Engineer cross practicing as a Land Surveyor (Motion)**

In the matter of Eric P. Willadsen, PE, License No. 5082

Staff Attorney Arnold prepared a Consent Agreement which showed that Respondent, Eric P. Willadsen, prepared and applied his seal and signature to a document entitled "Encroachment Easement Exhibit" which was submitted to the City of Sioux Falls as part of a document for filing an easement for a wall.

Document includes the practice of land surveying because it locates, relocates, establishes, reestablishes, lays out, or retraces any property line or boundary of any tract of land or any road, right-of-way, easement, alignment, or elevation of any fixed works embraced within the practice of land surveying.

Mr. Willadsen will comply with all laws and regulations relating to his profession for a period of one year beginning on the date of execution of the agreement.

Mr. Willadsen will pay to the Board a civil penalty of \$500 before December 31, 2011. If Mr. Willadsen fails to comply with the terms or conditions of the Consent Agreement, the Board may initiate formal disciplinary action against Mr. Willadsen.

**Motion:** By Neugebauer, seconded by Shafai for the Chairman to sign the Consent Agreement form between the South Dakota Board of Technical Professions and Eric P. Willadsen.

**Action:** 6-0 aye (Olson, Hazard, Micko, Nelson, Shafai, Neugebauer) Bacon abstained from voting.

#### **Case 11-04 Land Surveying Issue**

Humphreys noted there is nothing to report. The investigative committee will need to schedule a meeting.

#### **Case 12-01 Land Surveying Issue**

Randy Bacon has been assigned and will review the information for the March Board meeting.

#### **Case 12-02 Land Surveying Issue**

Len Neugebauer has been assigned and will review the information for the March Board meeting.

### **AGENDA ITEM #5 OLD BUSINESSES**

#### **Action Items - reports**

Humphreys noted that Neugebauer had completed updating the book entitled 'Compilation of South Dakota Codified Laws Relating to Land Surveying'. Neugebauer suggested we delay posting until July 1, 2012, after the current Legislative Session has concluded in case there are any additional revisions which need to be made from 2012 legislation. Humphreys was assigned to investigate the appropriate deadlines which will be needed when Computer Based Testing (CBT) goes into effect for the FE and FLS exams.

#### **Rules and Statutes - reports**

During the consideration of the Board's proposed rule changes by the Legislative Research Council on December 20, 2011, Humphreys attended the Rules Review Committee Meeting by DDN in Rapid City and Neugebauer, Nelson and Olson attended by DDN in Sioux Falls. Humphreys reported the proposed rule changes were approved. Humphreys and the Board thanked Staff Attorney Aaron Arnold for his work on the rules revisions. Based on this

approved rules revision, staff has prepared an updated rules document. Humphreys noted that we may have unintentionally removed the provision in rules which addressed allowing an NCEES record to be submitted in lieu of our application form.

**Motion:** By Neugebauer second by Olson for the Board to continue to allow NCEES Records as was the Board's practice before these Rules changes.

**Action:** 7-0 AYE (Olson, Hazard, Micko, Nelson, Shafai, Bacon, Neugebauer)

### **Investigator Duties**

The Board discussed the .5 FTE allocated for a staff position as investigator. The Board also discussed whether we might have the option to contract for investigator services as the Board has done previously, in lieu of hiring a .5 FTE staff person. Humphreys noted that in discussions with BOP the position would need to have specific defined duties and pay scale. The Board discussed whether or not hiring a .5 FTE investigator would interfere with the ability for contracting for investigation services on a special needs basis. Since Todd Kolden was not available for this Board meeting, Olson suggested this matter be discussed with Todd Kolden at the next Board meeting.

### **Candidate ID numbers**

A disclaimer will be added to the forms on the Board website regarding the use of Social Security Numbers.

### **SETI Land Survey Technology Board**

Neugebauer reported that he serves on the Advisory Board at South East Technical Institute. He is utilizing the NCEES speaker kits for presentations and encourages students to consider future licensure as Professional Land Surveyors.

### **10<sup>th</sup> Biennial Land Surveying Seminar December 2**

Humphreys attended and made a presentation for the Board. There were not a lot of questions, but the response from the attendees was very encouraging. The main item discussed was the size of the seal.

### **A.R.E. Pipeline**

Information was provided to the Board regarding applicants not in NCARB system and the effect of the new rules that now use January 1, 2012 with regard to this pipeline.

### **Bid Law**

The Board discussed whether this law impacts the definition of the practice of architecture and engineering in South Dakota. Neugebauer will review and comment on an article proposed by a licensee with regard to this matter.

## **AGENDA ITEM #6 NEW BUSINESS**

**Board Members up for reappointment** - The terms of Hazard and Neugebauer will expire in April, 2012. Olson suggested sending letters in to the Governor if a Board member wishes to be re-appointed.

### **Old Website**

Information regarding the old website was presented to the Board.

### **New Website**

Information regarding the transition to the new website created by DLR was presented to the Board. Staff reported the transition went smoothly and is looking forward to expanding the capabilities of the website.

### **ALTA Survey / HUD requirement**

Neugebauer discussed a HUD certification requirement on an ALTA survey, which was brought to the Board's attention by a licensee.

### **FPE Inquiry**

An inquiry was received from a licensee in regard to Fire Protection Engineering. Shafai was assigned to follow-up on this inquiry.

### **USDA Rural Development - Speaker Request**

Shafai attended a meeting in Rapid City and made a presentation on Board activities and the proposed rule changes. Micko attended a similar meeting in Brookings and made a similar presentation for the Board.

### **FY2013 Budget Hearing**

The hearing will be held on February 15, 2012 in Pierre.
