RE: Denial of Insurance Producer License

Dear Ms. Campbell,

This letter is to notify you the South Dakota Division of Insurance ("Division") is denying your non-resident insurance producer application, which was submitted to the Division on May 10, 2018. The reason for the denial is as follows:

You answered "no" to all application questions, including whether you had been subject to administrative actions. However, you were subject to multiple Wisconsin administrative actions in 2015 and 2016. The Division wrote to you on May 11, 2018 requesting an explanation as to why you provided incomplete information on the license application and requested documentation of the administrative actions. A response was not received. The Division again attempted to contact you by mail and email on June 11, 2018 and by phone on July 2, 2018 to request an explanation as to why you provided incomplete information on the license application and request information on the administrative actions. To date, no response has been received.

Due to the above, your license application is denied pursuant to SDCL §§ 58-30-167(1) for providing incorrect or incomplete information in an application, 58-30-167(2) for violating any insurance laws or rules, and 58-30-167(9) for having your license denied in another state.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your license.

Sincerely,

Daniel R. Nelson
