RE: Denial of Insurance Producer License

Dear Mr. Cook,

This letter is to notify you the South Dakota Division of Insurance ("Division") is denying your non-resident insurance producer application, which was submitted to the Division on May 4, 2018. The reason for the denial is as follows:

You answered "yes" to the question "Have you ever been convicted of a misdemeanor, had a judgment withheld or deferred, or are you currently charged with committing a misdemeanor?" However, you failed to provide the required documentation. The Division attempted to contact you on May 10, 2018 and May 23, 2018 via email requesting an explanation as to why you provided incomplete information on the license application. A response was not received. The Division sent a letter on June 25, 2018 requesting the required documentation and an explanation as to why you provided incomplete information on the application. To date, no response has been received to the June 25, 2018 letter. The Division also left you a voicemail at the number listed on your application on June 27, 2018, to which you never responded.

Due to the above, your license application is denied pursuant to SDCL §§ 58-30-167(1) for providing incorrect or incomplete information in an application.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your license.

Sincerely,

Daniel R. Nelson
Assistant Director- Property & Casualty
