RE: Application for Insurance Producer License/Denial

Dear Ms. Saple,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on January 4, 2018. On your application, you answered "NO" to all questions concerning any past felony convictions. However, after investigating your application, it was discovered that you were convicted of a felony in Florida in 2015.

The Division wrote to you on January 9, 2018, via us mail and email, requesting that you provide documentation of the felony conviction and to provide an explanation regarding the conviction. The Division received no response from you. On February 9, 2018, the Division again wrote to you, asking for an explanation regarding the 2015 conviction, and asking for an explanation why you provided inaccurate information on your application, and why you did not respond to the Division's previous correspondence. On March 1, 2018, having received no response from our previous letters, the Division attempted to call you on the phone number listed in your application; and left you a voicemail informing you of the need to respond to the prior letters sent to you by the Division. To date, there has been no explanation for the inaccuracies in your application, no explanation for your lack in communication with the Division, and no explanation regarding your felony conviction.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), and (9) 58-33-66, and 58-33-68; for incompleteness, and violating another state's insurance laws, for having your license denied in another state, and for failing to timely respond to the Division.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Dan Nelson, Assistant Director  
South Dakota Division of Insurance  
Department of Labor and Regulation
