RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for of an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on September 27, 2018. On your application you answered "YES" to being convicted of a felony. On October 1, 2018 the Division wrote to you via US mail and email, asking for a further explanation of the details surrounding our felony conviction. On November 1, 2018, having failed to receive a response, the Division again wrote to you, this time by certified mail, again asking for a further explanation of the details surrounding our felony conviction and informing you that you had violated the insurance laws of the State of South Dakota by not responding to the first letter within 20 days. Having failed to receive a response to any of the letters sent to you, on November 28, 2018, the Division called and left you a voicemail, indicating that your application could not be processed without you responding to the Division's letters, and informing you that your application would be denied unless you made contact with the Division before December 5, 2018. To date the Division has not received the request explanation of the details surrounding our felony conviction and has not received any explanation for your lack of communication with the Division.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(2) and (6) for having been convicted of a felony and for violating the insurance laws or rules of any state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Daniel R. Nelson, *Assistant Director*  
*South Dakota Division of Insurance*  
*Department of Labor and Regulation*
