RE: Application for Insurance Producer License

Dear Mr. Orange,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance (“Division”) on October 30, 2018. On your application, you answered “No” to being a party to an administrative action. However, you were a party of administrative actions in the state of Wisconsin in 2013 and 2017. You provided the required documentation of your administrative action in Wisconsin in 2013 with your application.

The Division wrote to you on November 19, 2018 to request a written explanation regarding inconsistent, incomplete, and incorrect information that was submitted and to request a copy of the Wisconsin administrative action in 2017. The Division received no response and wrote to you on January 10, 2018 making the same request. The Division received correspondence from you stating that you would send the required documents and requested an extension. The Division granted your request. To date, the Division has not received the Wisconsin administrative action in 2017 from you.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), (8), and (9) for providing incorrect, misleading, incomplete, or materially untrue information in a license application; violating the insurance laws or rules of the State of South Dakota and/or another state; using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; and having an insurance producer license, or its equivalent, denied, suspended, or revoked in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

A handwritten signature in black ink that reads "Dan Nelson". The signature is fluid and cursive, with the first name "Dan" being larger and more prominent than the last name "Nelson".
