RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You applied for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on November 5, 2019. You answered "YES" to questions indicating that you have been convicted/plead guilty to a misdemeanor. However, you failed to provide the required documentation for your misdemeanor convictions.

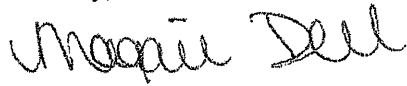

Thus, the Division wrote to you on November 14, 2019 via email, asking you to provide the required documentation. Having failed to receive a response, the Division wrote to you again on December 6, 2019 via email and regular mail, asking you to provide the required documentation and requesting an explanation for why you failed to respond to the Division's previous correspondence. Having again failed to receive a response, the Division again wrote to you on January 27, 2020 via certified mail and email, asking you to provide the required documentation and for an explanation for your lack of communication. Having again failed to receive a response, on March 9, 2020 the Division called and spoke to you on the phone and informed you that a response and documentation for all your misdemeanor offenses was due no later than March 13, 2020. As of the date of this letter, the Division still has not received the required documentation regarding your misdemeanor offenses, nor has there been an explanation for your lack of communication with the Division.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and for violating SDCL58-30-167(1) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; SDCL 58-30-167(2) violating the insurance laws or rules of South Dakota or any other state; and for violating 58-30-167(8) for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Maggie Dell
Assistant Director
South Dakota Division of Insurance
Department of Labor and Regulation
