RE: Application for Insurance Producer License

7019 0700 0001 4782 7966

Dear Mr. Johnson,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on September 24, 2019. On your answers to the application questions, you answered "Yes" to the question concerning misdemeanor convictions. On your answers to the application questions, you answered "No" to the question concerning administrative actions. You were the subject of an administrative action in the state of Pennsylvania in 2015 where Pennsylvania suspended your license. You failed to provide documentation of your criminal history and administrative action with your application.

Due to this, the Division wrote to you on October 2, 2019 via regular mail and email to request a written explanation regarding incorrect, misleading, and incomplete information that was submitted with your application; a written statement explaining the facts and circumstances of the administrative action; documentation of the official order of the administrative action; a written explanation why documentation of your criminal history was not provided to the Division; a written statement explaining the circumstances of your criminal history; and a written statement as to why you believe a South Dakota license should be granted. After failing to receive a response from you, the Division wrote to you on November 5, 2019 via certified mail, regular mail, and email requesting a response from you. To this date, the Division has not received a response from you.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), (8), and (9) for providing incorrect, misleading, incomplete, or materially untrue information in a license application; violating the insurance laws or rules of the State of South Dakota and another state; using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; and having an insurance producer license, or its equivalent, denied, suspended, or revoked in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Maggie Dell, Assistant Director
South Dakota Division of Insurance
South Dakota Department of Labor and Regulation
