RE: Renewal Application for Insurance Producer License

Mr. Hampton,

This letter is to notify you that your renewal application for licensure as an insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You were first licensed with the South Dakota Division of Insurance ("Division") in 2020. You submitted a renewal application for an individual insurance producer license to the South Dakota Division of Insurance ("Division") in April 2022. You answered "no" all questions, including whether you had been subject to an administrative action. The Division conducted an investigation and identified a 2021 administrative action from the State of New York denying your license application there. This action was not timely reported to the Division in violation of SDCL 58-30-193.

The Division attempted to clarify the issue in communications dated August 3 and August 23, 2022, followed an attempt to call you on September 23, 2022. To date, there has no response from you in violation of SDCL 58-33-66.

Based on the above information, your application is denied under SDCL 58-30-167(1), (2), (8), and (9) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; violating any insurance laws or rules, subpoena, or order of the director or of another state's insurance superintendent; demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; and having an insurance producer license denied in any other state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Tony Dorschner  
Assistant Director Producer Licensing  
South Dakota Division of Insurance  
Department of Labor and Regulation
