RE: Application for Insurance Producer License/Denial

Dear Alexis Leonard,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for of an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") July 23, 2021. On your application you answered "NO" to questions 2 regarding past administrative actions. In reviewing your applications, it was discovered that you have prior administrative actions in the following states:

2021 North Dakota

Due this discrepancy on your application, the Division wrote to you, on November 29, 2021, for an explanation regarding the unreported administrative actions. Having failed to receive a response, February 16, 2022, the Division wrote to you via certified mail, advising you that you have violated the South Dakota Insurance Code for failing to respond and again asking for an explanation. Having again failed to receive a response, on April 28, 2022, the Division attempted to call you and left you a voicemail indicating that additional information was required, and your application would be denied if it was not received. As of the date of this letter, the Division has had no contact from you.

Based on the above information, your application is denied based upon SDCL 58-30-167 (2), (8) & (9); for violating any insurance laws or rules, subpoena, or order of the director or of another state's insurance director, commissioner, or superintendent; for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state; and for having an insurance producers license or its equivalent denied or revoked in a different jurisdiction.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.
