RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance (“Division”) on September 28, 2021. On your application, you answered “YES” to questions 1A indicating you have previously been convicted of a misdemeanor. However, you failed to include the required documentation regarding your criminal convictions.

Due to this discrepancy with your application, on December 17, 2021, the Division wrote to you asking for an explanation. Having failed to receive a response, on September 20, 2022, the Division again wrote to you via certified mail, asking for an explanation. Having again failed to receive a response, on October 24, 2022, the Division made multiple attempts to contact you by telephone. No answer was received, and no voicemail was available. As of the date of this letter, the Division has not received any response from you concerning your application.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and for violating SDCL 58-30-167(1)&(2) for providing incorrect or incomplete information on your application; and for violating the insurance laws or rules of South Dakota or any other state.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Sincerely,

Tony Dorschner
