RE: Application for Insurance Producer License

Mr. Pittman,

This letter is to notify you that your reinstatement application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted a reinstatement application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on June 28, 2022. On your answers to the application questions, you answered "No" to all questions, including the question concerning administrative actions. While investigating your application, it was discovered that you have administrative actions from the states of Louisiana, North Carolina, and Kansas. The state of Kansas denied your license on September 8, 2022.

Therefore, your application is denied based upon SDCL 58-30-167(1), (2), and (9) for providing incorrect, misleading, incomplete, or materially untrue information in a license application; violating the insurance laws or rules of the State of South Dakota and/or another state; and having an insurance producer license, or its equivalent, denied, suspended, or revoked in any other state, province, district, or territory.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Tony Dorschner, *Assistant Director*
South Dakota Division of Insurance
South Dakota Department of Labor and Regulation
