RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on March 9, 2022. On your application, you answered "YES" to questions 1A indicating you have previously been convicted of a misdemeanor. In reviewing your application, it was also discovered that the state of Kansas had denied your application for licensure in their state.

Due to this discrepancy with your application, on June 23, 2022, the Division wrote to you asking for an explanation. Having failed to receive a response, on August 4, 2022, the Division again wrote to you via certified mail, asking for an explanation. Having again failed to receive a response, on September 15, 2022, the Division sent an email informing you that if a response was not received, your application would be denied. As of the date of this letter, the Division has not received any response from you concerning your application.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and for violating SDCL 58-30-167(2),(8),&(9), for violating the insurance laws or rules of South Dakota or any other state; for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; and for having an insurance license denied or revoked in another state.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action

occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,
