General Instructions

For each category, please indicate if you are actively marketing in 2023 and plan to market in 2024. If you indicate yes, please provide a consumer assistance telephone number and website (if available). The company's consumer assistance contact information/website will be made available to the public and provided in response to any consumer inquiries. (Please note: Any cessation of marketing requires the insurer to submit a written notice of intent to cease marketing pursuant to [SDCL 58-11-62](#).)

In the appropriate box, report the total number of South Dakota members covered by your company for such insurance as of *March 31, 2023*. A member is a person who has been enrolled as a subscriber, or an eligible dependent of a subscriber, and for whom the reporting entity has accepted the responsibility for the provision of basic health services as provided by contract.

- This includes insureds, certificate holders of health benefit plans, and those covered by stop loss or excess insurance.
- It is important that you report all South Dakota members covered, including dependents, rather than the number of policies and/or contracts.

Information collected on covered lives will only be presented as aggregate data.
