South Dakota

# Career Peeks

## Hi! My name is Gabe.

I am learning about careers. Careers are jobs people have during their lives.

### What do you want to be when you grow up?

It is OK to not know. It is OK if you change your mind. There are so many choices! For now, it is fun to look at some careers.

Some pages have a cocoon on them. The words by the cocoon are names of career clusters. A career cluster is a group of careers that have things in common. Some careers fit into more than one cluster.

# Let's take a peek at what you can become!

# What do people in each cluster like to do?

## **Agriculture, Food & Natural Resources**

These people like to work with plants, animals, rocks or water.

## **Architecture & Construction**

These people like to draw or build things. They work on things like houses, bridges and buildings.

## **Arts, Audio/Video Technology & Communications**

These people like to be creative. Some write, dance, sing, act or draw.

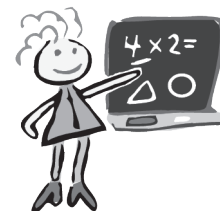

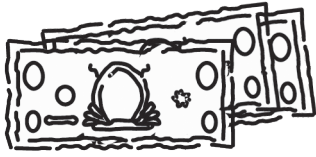

## **Business Management & Administration**

These people like to run companies.

## **Education & Training**

These people like to teach new things and skills.

## Finance

These people like to work with money.

## Government & Public Administration

These people like to work for the public. They work to make lives better.

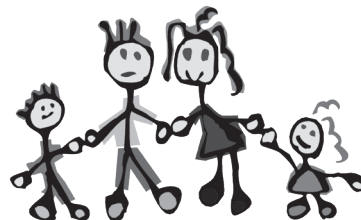

## Health Science

These people like to keep people and animals healthy.

## Hospitality & Tourism

These people like to help people when they go on trips or go out to eat.

## Human Services

These people like to help people, families and groups.

## Information Technology

These people like to work with computers.

## **Law, Public Safety, Corrections & Security**

These people like to keep people and places safe.

## **Manufacturing**

These people like to work with machines. They put things together.

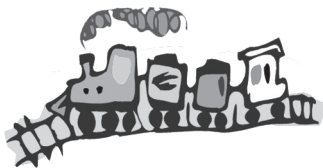

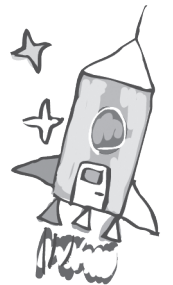

## **Marketing**

These people like to sell things or services.

## **Science, Technology, Engineering & Mathematics**

These people like to solve problems and test things. They like to use math and science.

## **Transportation, Distribution & Logistics**

These people like to work with planes, trains, ships or vehicles. They move people and things.

Wow! I like to do a lot of these things!

How about you?

You have a long time to figure out what you like best. For now, let's look at some careers and see what you can become!

# South Dakota Career Peeks

Business Management &  
Administration;  
Finance

**Accountants** keep track of how much money people or companies earn and spend. They work in all kinds of places. They plan budgets. Budgets show companies how much money they can spend.

**Count** the coins in the piggy bank. How much money is in the piggy bank?

\_\_\_\_\_  
----- ¢  
\_\_\_\_\_

**Bonus:** Pet's Playground got a bill. The bill is 74 cents. Does the piggy bank have enough money in it to pay the bill?

Take a  **peek**

at what you can become!

# South Dakota Career Peek

Architecture  
& Construction

**Architects** create plans for places like homes, buildings, bridges and parks. They create places that are useful and safe. They also want them to look nice. They choose the building supplies. They draw detailed plans called blueprints.

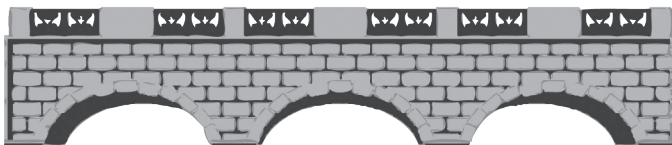

Draw a house that is **longer** than this one.

Circle the apartment building that is **longer**.

Use a blue crayon to circle the bridge that is **shorter**.  
Use a red crayon to circle the bridge that is **longer**.

Take a  **peek**

at what you can become!

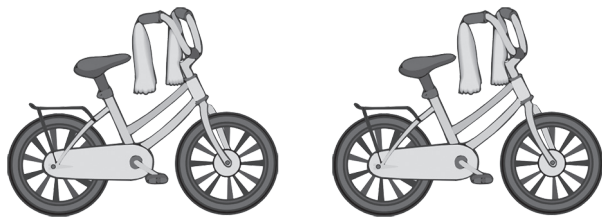

# South Dakota Career Peeks

Manufacturing

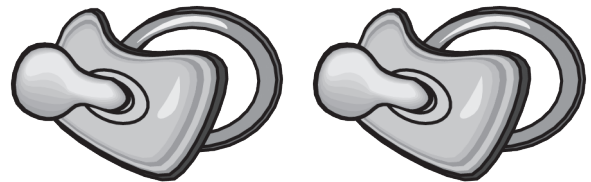

**Assemblers** put things together. They work in factories. Some of them work on part of a product. Some of them work on a whole product. They use many tools. They put together things like toys and cars. They work in teams.

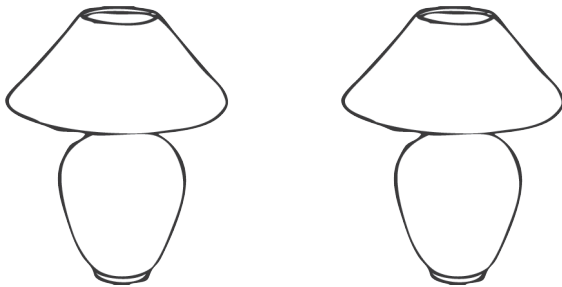

Circle the bike that is on the **left**.

Circle the pacifier that is on the **right**.

Color the lamp on the **right** blue.

Draw a picture on the computer screen on the **left**.

Draw a beach ball on the **right** side of the umbrella. Draw a sun on the **left** side of the umbrella.

Take a **peek**

at what you can become!

# South Dakota Career Peek

Hospitality & Tourism  
Cluster

**Bakers** mix and bake food. They make things like breads, cakes and cookies. They follow recipes. They use mixers, measuring cups and spoons.

The pictures are things a baker might use or make. Loop the pictures that have the **vowel sound** of the letter shown.

Take a  **peek**

at what you can become!

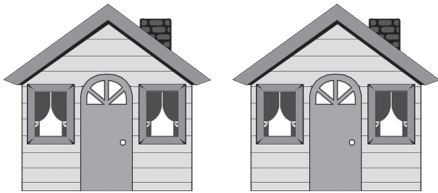

# South Dakota Career Peek

Architecture  
& Construction

**Carpenters** build things. They work with wood. They use hammers, drills, saws and other tools. They make things like tables, houses and offices.

Count the things in each group. Put your answer on the line below each group. Add the groups together.

Which tool would a carpenter **not** use? Circle it.

Take a  **peek**

at what you can become!

# South Dakota Career Peeks

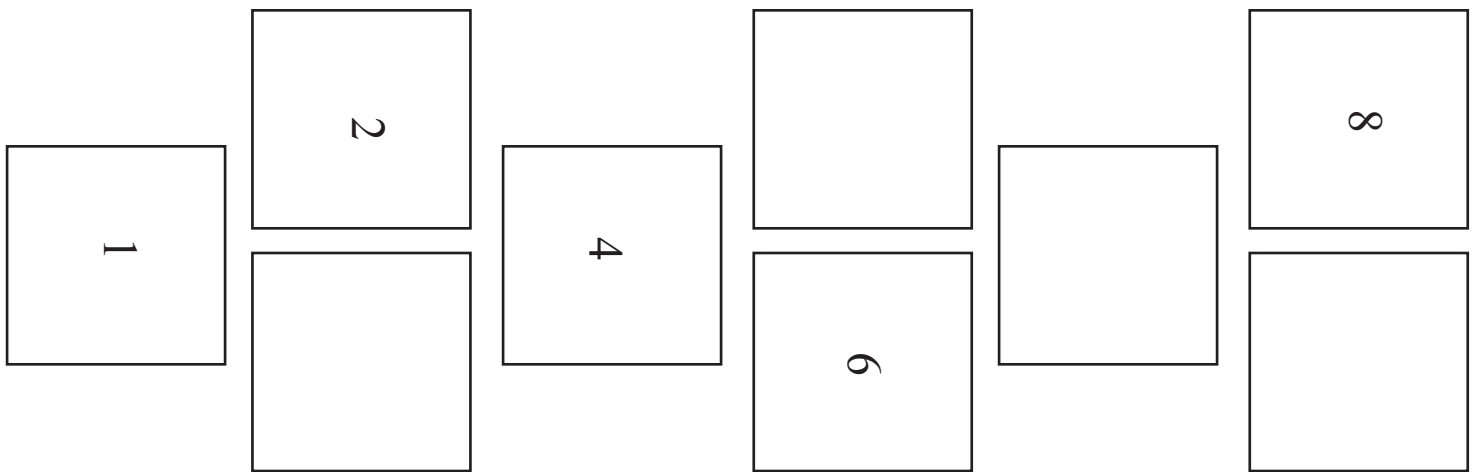

Architecture  
& Construction  
Cluster

**Cement Masons** use concrete to build walls, sidewalks and fences. They smooth out the concrete once it is poured.

Some add color to concrete. They may use tools to make a pattern on the surface. Cement masons must know how the weather affects the hardening of the concrete to avoid cracks.

Suppose you are a cement mason hired to make a sidewalk for a hopscotch game. Fill in the missing numbers to find how many blocks are needed to complete the sidewalk.

Take a  peek

at what you can become!

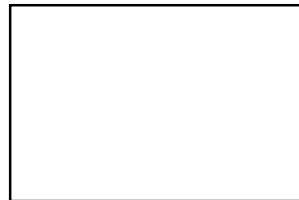

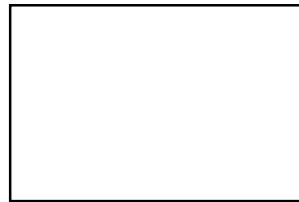

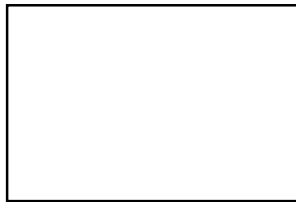

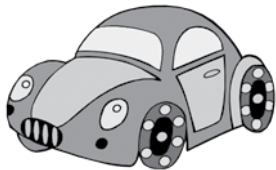

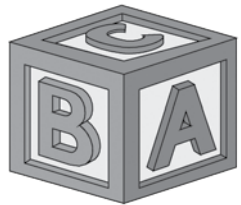

# South Dakota Career Peeks

Education & Training;  
Human Services  
Clusters

**Child Care Workers** take care of children while parents work. They feed children healthy foods. They keep them safe. They plan arts and crafts projects and games. They read to children. They teach them numbers and colors.

**Match** two pictures of things that rhyme with each toy (see next page).

Take a  **peek**

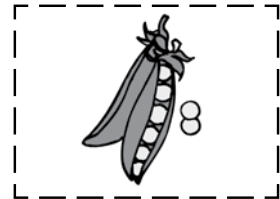

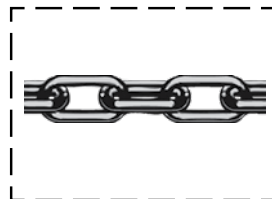

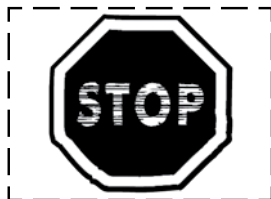

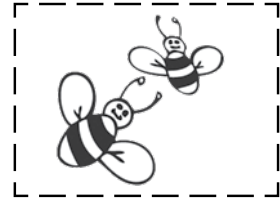

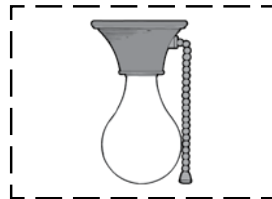

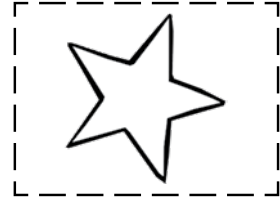

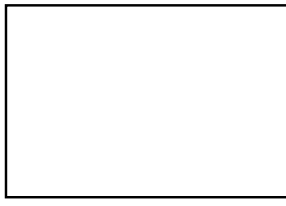

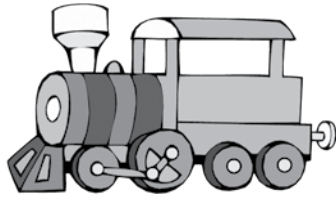

at what you can become!

# South Dakota Career Peek

Education & Training;  
Human Services  
Clusters

Child Care Workers, continued

**Bonus:** Draw something that rhymes with red.

Take a  peek

at what you can become!

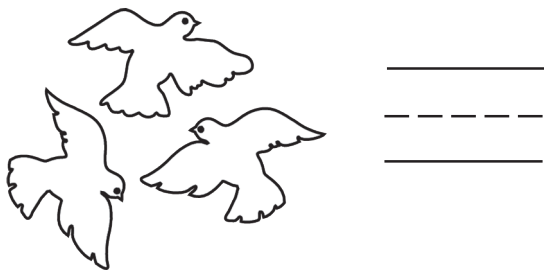

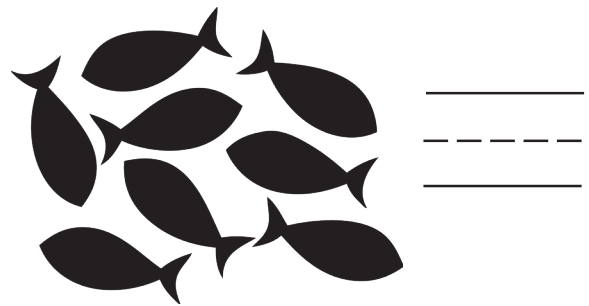

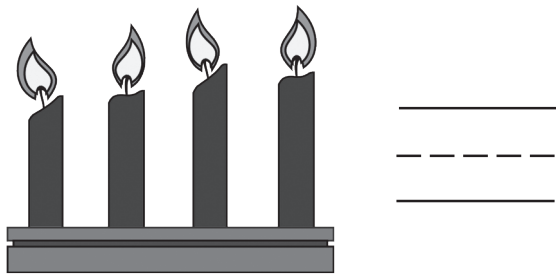

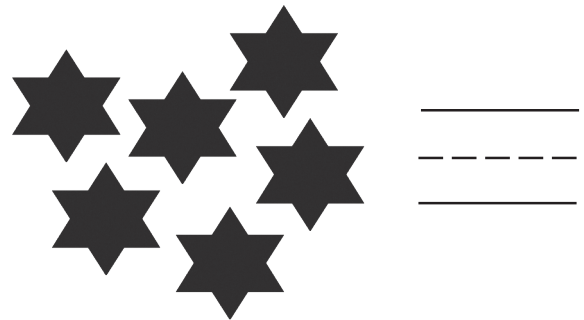

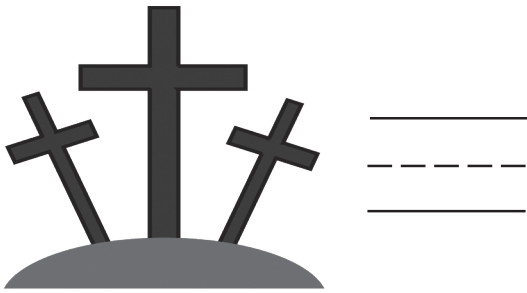

# Career Peek

**Clergy** are leaders of some religious groups. Some are called ministers, pastors, rabbis or priests. They write and give talks. The talks are called sermons. They visit sick people. They lead weddings, baptisms and funerals.

**Count** the number of objects in each set. Write the number on the line.

Take a  **peek**

at what you can become!

# South Dakota Career Peeks

Education &  
Training Cluster

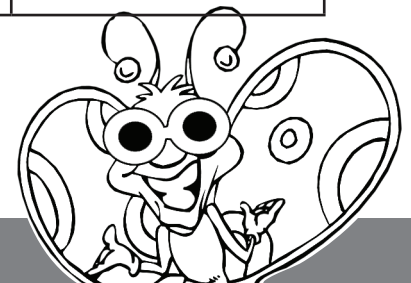

**Coaches** in South Dakota teach student athletes. They help them learn to play a sport. Coaches who are also teachers are instead called teachers. These coaches teach the rules of the sport. They also help athletes improve their skills and techniques to help them win. Coaches may specialize in a variety of sports including basketball, football, gymnastics, track, soccer, swimming, tennis and wrestling.

Look at the chart below for a gymnastics competition. Draw the hands on the clock face to match the start and end times for each round. Write the total amount of time each round took on the line after the clocks.

Round	Event	Start Time	End Time	Start	End	Total Time
1	floor exercise	8:15	8:50			
2	uneven bars	9:00	9:35			
3	vault	9:45	11:05			
4	balance beam	11:20	12:10			

at what you can become!

# South Dakota Career Peeks

Architecture &  
Construction Cluster

**Construction Supervisors** oversee workers who build things.

The workers may build houses or other buildings. They may pour concrete.

They may install electricity. Some put plumbing in buildings. Others lay flooring. The supervisors make sure work is done correctly and on schedule.

**Match the picture, by drawing a line, with the correct word for things a construction supervisor may oversee being built.**

hospital

road

table

bridge

Take a  peek

at what you can become!

# Career Peek

**Dental Hygienists** help take care of people's teeth and gums. They clean teeth. They check to see if a patient's mouth is healthy. They take X-rays of teeth. They teach patients how to take care of their teeth and gums.

**Cross out** the things that do not help keep teeth healthy. What letter do the things you did not cross out start with? Write that letter on the line to the left.

Example:

\_\_\_\_\_  
-----  
\_\_\_\_\_

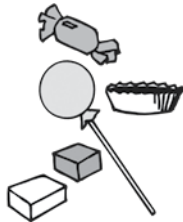

toothbrush

toothpaste

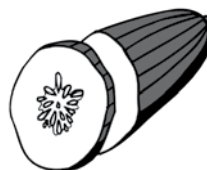

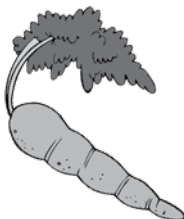

\_\_\_\_\_  
-----  
\_\_\_\_\_

at what you can become!

# South Dakota Career Peeks

Architecture  
& Construction  
Cluster

**Drafters** draw plans. Workers use the plans to build things.

The plans show workers how to make things like houses, cars, buildings, machines and toys. Most drafters use computers.

Below are objects a drafter might draw. **Count** the number of shapes in the objects. Write the number in the blank space.

How many **rectangles** can you find?

\_\_\_\_\_

-----

\_\_\_\_\_

How many **triangles** can you find?

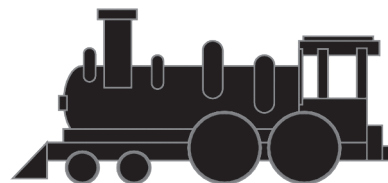

\_\_\_\_\_

-----

\_\_\_\_\_

How many **circles** can you find?

\_\_\_\_\_

-----

\_\_\_\_\_

**Bonus:** Draw a picture of something a drafter would draw. Use lots of shapes in your drawing. Draw it on the back of this paper.

Take a

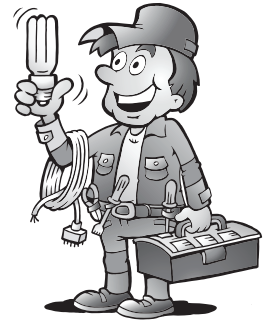

**peek**

at what you can become!

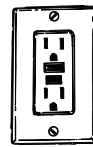

# South Dakota Career Peeks

Architecture &  
Construction Cluster

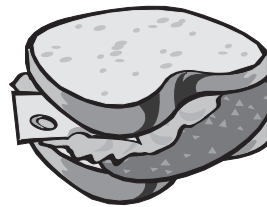

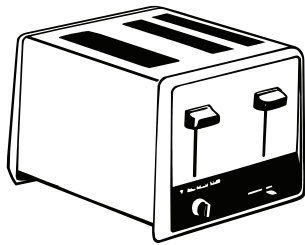

**Electricians** install and fix wiring. They give power to homes and businesses. They use hand tools and power tools. They also read maps to find outlets.

Circle the items that use electricity.

(Hint: They must plug into an outlet in the wall).

Draw two more items that use electricity:

1.

2.

Take a  peek

at what you can become!

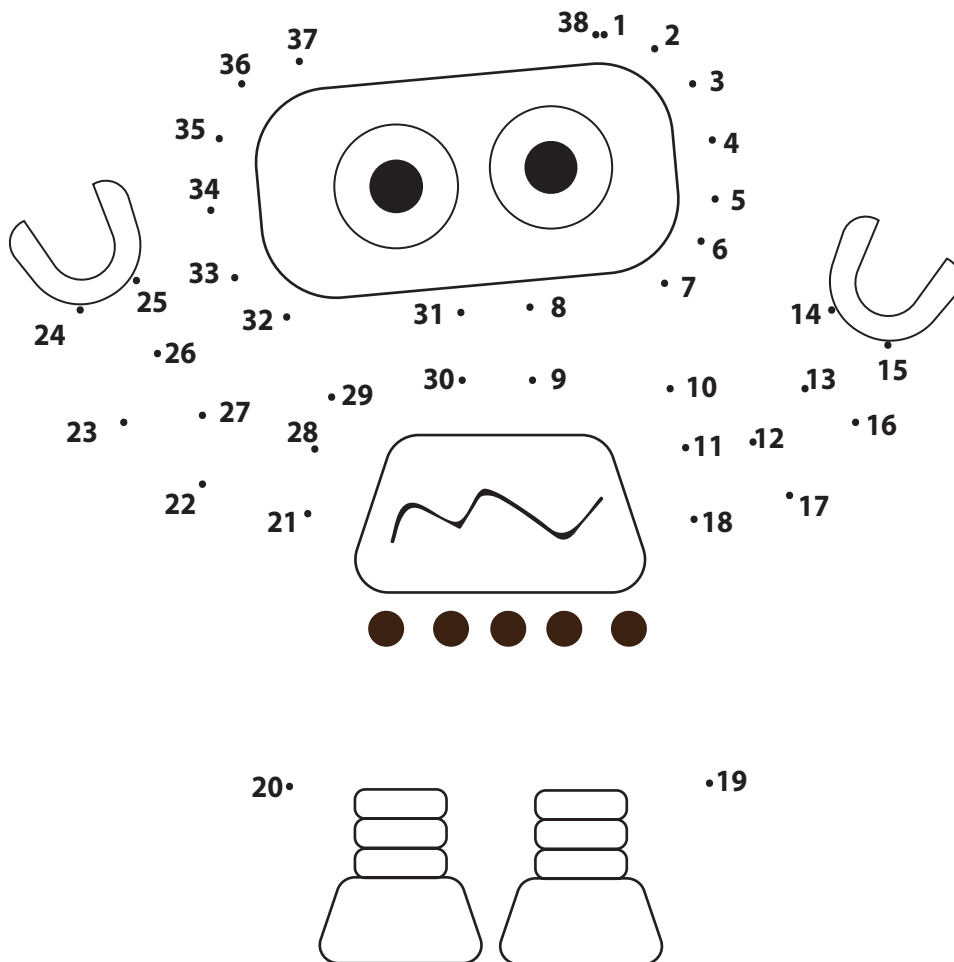

# South Dakota Career Peek

Architecture  
& Construction;  
Science, Technology,  
Engineering &  
Mathematics

**Engineers** come up with ways to fix problems. They want to know how things work. They ask why things work. They draw plans. They make things like machines, roads, buildings, toys, light bulbs, software, medicines, robots or tools. They use science and math.

Connect the dots to see what the engineer is designing.

Take a  peek

at what you can become!

# South Dakota Career Peek

Law, Public Safety,  
Corrections &  
Security

**Firefighters** put out fires. They try to save people and property. They want to prevent fires. Some make sure fire safety laws are obeyed. They teach people about fire safety. They help people who are hurt or sick.

Circle the fire truck that is the longest.

Circle the fire hydrant that is the tallest.

Circle the fire that is the widest.

Take a  peek

at what you can become!

# South Dakota Career Peeks

Hospitality & Tourism  
Cluster

**Food Service Supervisors** oversee workers who make and serve food. The workers may cook food. They may make cold foods like ice cream cones or salads. Other workers, like waiters and waitresses, take orders and serve food. The supervisors make sure food is made and served correctly.

**Think about all the colors and shapes of food and fill in the blanks below.**

1. Name a food that is red. \_\_\_\_\_
2. Name a food that is round. \_\_\_\_\_
3. Name a food that is green. \_\_\_\_\_

**Pretend you are a food service supervisor and need to pick two favorite foods to serve in the restaurant where you work. What foods would you serve?**

1. \_\_\_\_\_
2. \_\_\_\_\_

**Bonus Activity:** Design a menu for the restaurant, showing the three food options above. (Tip: pictures make menus more interesting!)

at what you can become!

# South Dakota Career Peek

Business Management &  
Administration Cluster

**General Managers** are responsible for the overall operations of a company or agency. They make rules, oversee daily operations, and plan the use of materials and workers.

Suppose you are the manager of an ice cream shop. Circle the things below you would need to operate the shop.

Ice cream

Pepperoni

Pizza sauce

Ice cream scoopers

Ice cream toppings

Plastic dishes

Workers

Spoons

Ice cream cones

Pizza crust

Freezer

Oven

**Bonus:** Suppose the ice cream shop makes a profit of 50 cents on each ice cream cone sold (after subtracting all the costs involved in making each cone). If the shop sells 35 cones in one day, what is the total profit?

Take a  peek

at what you can become!

# South Dakota Career Peeks

Human Services  
Cluster

**Hair Stylists** wash, cut and style hair. They color hair.

Some style hair for weddings and proms. Some take care of customers' skin, fingernails and toenails.

The words and pictures are things hair stylists use. **Match** the word to the correct picture.

bow

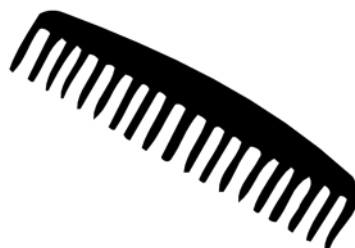

comb

mirror

chair

scissors

brush

Take a  peek

at what you can become!

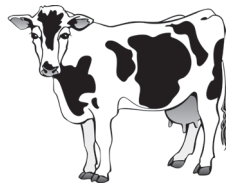

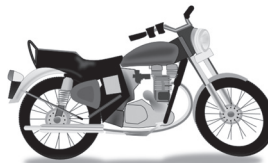

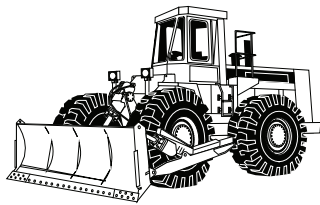

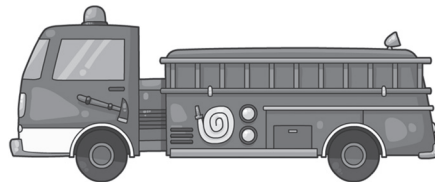

# South Dakota Career Peeks

Transportation,  
Distribution & Logistics  
Cluster

**Highway Maintenance Workers** keep streets and highways in good condition and safe to drive on. They patch broken pavement. They may repair guard rails on the side of the road or fix highway signs. Highway maintenance workers may also install or fix fence near roadways to catch snow in the winter.

**Circle the types of vehicles that use highways.** They are just a few of the reasons it is important our roads be safe!

Take a  **peek**

at what you can become!

# South Dakota Career Peek

Transportation, Distribution  
& Logistics Cluster

**Industrial Tractor Operators** run equipment like a fork lift to safely move materials around in a warehouse, storage yard, factory, construction site or similar place.

A fork lift driver is given the warehouse map below and told to move cartons to the locations listed. Color in the correct sections to show where the cartons should go.

Use red for cartons going to row 3, section 4.

Use blue for cartons going to row 1, section 5.

Use green for cartons going to row 2, section 2.

Use yellow for cartons going to row 3, section 1.

Row 1	Section 1	Section 1	Row 2
	Section 2	Section 2	
	Section 3	Section 3	
	Section 4	Section 4	
	Section 5	Section 5	
	Section 6	Section 6	

Row 3	Section 1	Section 1	Row 4
	Section 2	Section 2	
	Section 3	Section 3	
	Section 4	Section 4	
	Section 5	Section 5	
	Section 6	Section 6	

at what you can become!

# South Dakota Career Peek

Finance Cluster

**Insurance Sales Agents** sell different types of insurance. People buy insurance to protect what they have if bad things happen. For example, people insure their vehicles. If they have an accident, they can get it fixed or buy a different one. These agents explain to customers what types of loss would be covered by insurance. They also teach customers safety tips to help them avoid loss.

Safety precautions help prevent bad things from happening. Check off the things below you do to be safe.

- Wear my seat belt whenever I ride in a vehicle.
- I know how to dial 9-1-1 if there is an emergency.
- I know my full name, phone number and address if I have to ask a police officer or other adult for help.
- My house has smoke detectors.
- If there is a fire at my house, I know the safest way to get outside and where to go.
- Wear my helmet when I ride a bike, board or scooter.

Natural Resources;  
Science, Technology,  
Engineering and  
Mathematics Clusters

**Soil and Plant Scientists** look at soil, plants and crops.

Some figure out how to treat sick plants and trees. They help people figure out the best ways to use their land. They know what plants grow best in different kinds of soil.

**Match** the crop, plant or tree to its picture.

This crop gets very tall before you pick it.

lily pad

Frogs like to hang out on these at the pond.

oak tree

A lot of people get this flower on Valentine's Day.

corn

This plant grows in hot, dry and sandy places.

rose

Squirrels like the nuts on this tree.

cactus

**Mental Health Counselors** help people deal with personal problems such as those related to family issues, stress and aging. They may also help those who are addicted to drugs or alcohol.

Counselors help their patients understand their feelings about their problems. Color in a face below to show how you would feel if:

You lost your back pack on the way to school.

You got the new puppy you've been wanting.

You got scolded by your parents for not doing a chore.

Manufacturing  
Cluster

**Welders** use heat to join metal pieces together. They also fill holes in metal products. Welding is strong and holds pieces together. It can be used for cars, trailers or bridges. It also connects steel beams or pipes.

Pretend you are a welder. You have to make the frame for a swing set like the one below. You will use seven separate pieces of iron pipe. On the picture below, circle the spots where you would need to weld the seven pieces together.

## Tools

Workers need tools to help them do a good job. Without a stove a chef could not make foods like:

---

Dentists need tools like \_\_\_\_\_

Farmers need tools like \_\_\_\_\_

If a carpenter builds a bookcase, he or she needs tools like \_\_\_\_\_

---

Your job right now is being a student. To do your job, you need tools too! What are some of your tools?

---

---

## Subjects & Skills

What you learn in school will help you with a career. Circle subjects and skills that help you in a career.

Following rules

Reading

Taking turns

Math

Listening

Did you circle all of them? They all can help in your career!

## What could I do?

There are careers everywhere! Look around your town. Look for the people working at your school or stores. Do you see people working outside, like at a park or on the roads? Watch what they do. People do so many things! Imagine what you could do! Complete the sentences on the next pages with what you could do. Draw pictures to go with the sentences. Cut the pages out along the dotted lines and make your own book.
