**Roberts announces personnel changes at Pierre Career Center**

**PIERRE, S.D.** – Secretary of Labor Pam Roberts has announced personnel changes at the South Dakota Career Center (SDCC) in Pierre effective Monday, Dec. 11. Bill McEntaffer, who has managed the office since April 2000, has accepted a position working with dislocated workers and adult workforce training programs at the Department of Labor (DOL) central office, also in Pierre.

McEntaffer has long been involved in the community as a board member of the Pierre Economic Development Corporation, serving as Board President in 2006, Chamber of Commerce, The Right Turn, Inc., River Cities Transit and Pierre Athletic Booster Club. “This new opportunity will allow me to continue to be involved in today’s workforce, this time at a statewide level through the Workforce Investment Act.” said McEntaffer. McEntaffer previously worked at the DOL central office for six years, prior to being the Pierre SDCC manager.

Mark Anderson has been selected as the new manager of the Pierre SDCC. Anderson brings 16 years of experience with him as a DOL employee. He has served as Job Corps Program Specialist for the past 10 years, and as Employment Representative at the Pierre SDCC for five years and the Winner SDCC for one and a half years.

“I’m looking forward to the opportunity to contribute to the growth of the local workforce and economy. My goals aim to continually provide value-added customer service and to find ways in which to better serve our clients,” said Anderson.

The Pierre SDCC provides businesses with employment-related solutions such as assistance in worker recruitment, human resources and employee training, along with

information regarding today's labor law issues. The office also helps people with career transition and job placement services. Local labor market information is available to all interested parties at no charge. The Pierre SDCC is located at 116 W. Missouri Ave. For more information on DOL programs and services, visit [www.sdjobs.org](http://www.sdjobs.org).
