Northern Hills Career Center to host Business Day Open House

SPEARFISH, S.D. – The South Dakota Department of Labor’s (SDDOL) Northern Hills Career Center invites local businesses and employers to attend a Business Day Open House on Thursday, May 3, from 10 a.m. to 3 p.m. The event will be held in partnership with Vocational Rehabilitation Services at 1300 North Avenue.

“We look forward to the community touring the Career Center and our business resource room, along with having the opportunity to meet our trained, professional staff,” said Manager Lisa Johnson. Attendees will also receive information on labor-related topics, learn about available workforce programs and receive a labor law compliance poster at no charge. “We are your workforce experts, and we’re ready to help businesses in any way we can,” said Johnson.

The SDDOL mission is to enhance the South Dakota workforce by providing businesses with employment-related solutions and helping people with job placement and career transition services. For additional information, visit www.sdjobs.org or call 642.6900.
