Career Center holds job fair for dislocated Hutchinson employees

PIERRE, S.D. – The Dept. of Labor’s Sioux Falls Career Center is conducting a job fair from 10 a.m. to 3 p.m. on Thursday specifically for dislocated workers from Hutchinson Technology. It will be held at 811 East 10th Street. The job fair consists of 16 area employers with openings specific to the skills and abilities of these employees and who are interested in meeting these potential applicants.

A job fair was also held on Monday. Manager Greg Johnson said, “We are very pleased to quickly respond to these workers’ needs and facilitate job interviews within days of their layoff. Some are already receiving job offers as a result of this job fair.”

The Dept. of Labor also conducted informational rapid response sessions after the announcement 90 employees would be laid off. Employees learned of the many workforce and training opportunities available through the Career Center’s services. For additional information on programs and services, visit www.sdjobs.org.
