CPE EXTENSION REQUESTS

Nicole Kasin

The following letters are from individuals who are requesting a second CPE extension for the July 1, 2016 to June 30, 2017 CPE reporting period. They had already been given a 90 day extension from staff which was through September 30, 2017.

In accordance with ARSD 20:75:04:10 the board shall review subsequent requests for extensions and may grant them on a case by case basis for good cause. Good cause includes personal emergencies, acts of God or administrative errors made by the board.

Please make a determination individually for each of the following requests.

RE: CPE EXTENSION

Dear Board Members:

This letter is to explain the reasons why I failed to complete my required CPE hours within the granted 90 day extension period and to request an additional one month to complete my CPE requirements.

I was unable to complete my required CPE hours within the 90 day extension period because of conflicting audit work obligations with local CPE training opportunities. One such conflict was the scheduling of an audit work engagement near the same time of the 2017 IPA Governmental Audit Workshop held in Pierre, SD. My departmental management decided that because of the necessity to complete preliminary audit procedures for an out of town facility audit, that my attendance at this year's workshop would not be possible. Additionally, current auditing deadlines and other out of town facility audit obligations have prevented me from obtaining my required CPE hours within the granted 90 extension period.

Based on my current obligations, I feel that a one month CPE extension would be adequate to complete my CPE requirements and I appreciate your consideration of my request.

Sincerely,

09/29/2017

Dear Board Members,

I mistakenly included some .5 credit hour courses in my CPE total. I am requesting a 30-day extension to complete the remaining 3.5 credit hours of CPE.

Thank you,

RE: Request for additional time to complete my CPE for License No. 1879

Dear Board Members:

My mother passed away on February 18, 2016. At the time of her death, I became responsible for executing her estate, as well as the operations of our family businesses, LaCroix Investments, Inc., LaCroix Properties, LLC, and Interstate Boat, Inc. Prior to her death, I was responsible for the accounting and tax preparation for the above, and she managed LaCroix Investments, Inc.

LaCroix Investments, Inc. includes three businesses, Time Out Lounge & Grill, Time Inn Motel, and Bus's Bottle Shop. Since her death, I have been solely responsible for the operations of all three businesses. Due to her declining health prior to her death, I found all three businesses in need of serious reorganization. So my time since her death, has been spent getting these businesses back on the right track, including hiring of employees whom I could rely on. During this time, I have also worked for Ketel Thorstenson during the 2016 and 2017 tax seasons.

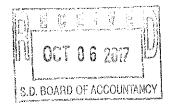

To put it simply, I just have not had the time to complete my required CPE. I have seriously considered relinquishing my CPA license due to all my other responsibilities, but after much thought and consideration, I feel that after working so hard to get my CPA, it would be foolish of me to give up so easily.

Now that the businesses are running smoothly, and I have nearly completed the filing of the 2016 tax returns for the family businesses, as well as coming close to closing her estate, I humbly request the SD Board of Accountancy to allow me to have until December, 31st, 2017 to complete the additional hours I need to renew my license.

Sincerely, Jill R. LaCroix

RE: 2nd Extension of Time to Complete CPE Requirements

e Godshau

Dear Sir or Madam of the Board:

I am writing to the board requesting an additional 3-month extension of my deadline to complete my required CPE. I initially did not have enough CPE completed by the first deadline so I filed my initial extension. In the beginning of August, my boss and the acting CFO at my current employer tendered his resignation and left effective immediately. I have spent the last two months trying to figure out what he left untied, what processes he used to perform that needed to be picked up, and have been working extra hours to try and keep the company above water. I have not had any additional time to successfully fulfill my CPE requirements under the time conditions of my initial extension. As a result, I humbly ask your consideration of my request for additional extension.

I am still relatively new at being a CPA in a private accounting environment and realize that I need to be more responsible and proactive at keeping up with my CPE during the course of the year rather than waiting until the end of the year to try and fit it all in. I pledge to get better at this going forward and aim to fulfill my CPE requirement for next year by the established June 30th deadline without any request for extension. I appreciate your time and your consideration.

Gratefully yours,

Joséph Godshall CPA Certificate #3059 October 12, 2017

Dear Board:

I am writing to request an extension for my continuing education hours. I had previously received an extension through September 30. However, in completing my hours, I inadvertently performed 4 hours of education utilizing half hour courses, not realizing those are not allowed. I anticipate having these final 4 hours completed by October 31st.

If you need anything else at this time, please let me know. Thank you for your consideration.

Best regards,

Dale Norton

Re: Extension of time to complete additional 5 hours of CPE

Dear Sirs/Madams:

As part of the continuing education requirement, I was to complete 30.5 hours of CPE in the third year of the 120 accumulated credit hour period (7-1-2014 to 6-30-2017). I was 6 hours short. The summer and fall of 2016 was a medically difficult time for me as I underwent 35 radiation treatments in May of 2016 and 3 separate subsequent hospital visits for infections. Needless to say, I wasn't 100% at work and although I didn't miss any time in performing my job responsibilities, I was physically unable to stay up with the extra activities, including my CPE requirements.

I have completed (1) hour in August and need an additional 5 to complete during any extension the board may consider to grant to me. Please consider an extension until the end of November.

Thanking you in advance for your consideration in this matter.

Very truly yours,

David M. Guy, CPA

I would like to request a 30 day extension to complete 2 hours of CPE for the 2016 – 2017 fiscal period. Hours that I had completed by the original extension were disqualified due to being award 0.5 CPE hours. I understand that the extension request will expire on October 31st, 2017.

S.D. BOARD OF ACCOUNTANCY

SD Board of Accountancy 301 East 14th Street, Suite 200 Sioux Falls, SD 57104

Dear Board Members:

I am writing this letter to request an additional 60 days to complete the continuing professional education for FYE June 30, 2017. The reason more time is needed is as follows:

In March of 2015, my husband of 51 years developed pneumonia. That progressed to the very serious condition of pneumonic fibrosis, better described as scar tissue which will eventually completely take over his lungs. He spent until the end of May in the hospital in Sioux Falls and then in rehabilitation for 3 weeks in an Aberdeen nursing home.

We were told that there is no cure for this condition and he is past the age to qualify for a lung transplant. Therefore, we have limited time left together.

The specialists also told us we needed to remove all carpeting and reduce dust as much as possible in our home as these factors will aggravate and hasten the progression of his disease.

So, we hired contractors to replace all of the carpeting in our home of 38 years and add central air conditioning. They began the work in fall 2015 but then stopped for the winter since we were not able to spend the winter in our camper in the back yard.

They started up again this spring but there were constant interruptions and they finally finished so that we could have our home back just last week.

I had fully expected to finish my cpe requirements during the first extension time which ended September 30, this year. The reason I could not do that is because we had to move all of our furniture out of the house and I did not have access to my computer and office records. Also, much of this time has been spent going to doctors, caring for him, and trying to get our life reorganized.

My husband is doing much better now. Even the specialists are amazed that he has actually gotten somewhat better. We were told they have never seen this before but it is mostly because he works hard at it.

I thank you for your consideration and hopefully will be able to complete the required continuing education.

Sincerely,

Susan K. Merdinger Susan K. Meidinger
