Re: Additional time to complete CPE

Dear Board of Accountancy:

I would like to request an additional 30 days to complete my CPE requirements for the year ended June 30, 2023. In my thirty-five plus years of practicing I have not requested extended time to complete my CPE. This past six months I have been involved as the personal representative in settling my father and mothers-in-law farm estate which has taken way more time than I had planned.

I would ask for your understanding and granting of my request.

Sincerely,
