**CPA Exam**

On Tuesday, March 17, 2020, an announcement was made that Prometric was closing its test centers for 30 days in response to COVID-19, to ensure the health and safety of the exam candidates.

NASBA reached out to all Executive Directors regarding exam candidates with an NTS expiring between April 1-June 30, 2020, and recommended we extend the NTS through September 30, 2020. I approved this recommendation and NASBA will make the adjustments to the candidates NTS so they do not have to contact the Board or NASBA.

NASBA will also be identifying candidates who have an open NTS and an exam credit that is expiring through June 30, 2020. This list will be provided to me and as a recommendation they suggest extending the expiring credit for 90 days. This would be for a candidate that is impacted by circumstances beyond their control and the Board would have to review this on a case by case basis (ARSD 20:75:01:07).
