

Certificate Public Accountants

Current Certificates to practice public accountancy are issued under the authority of SDCL 36-20B-13. An active certificate to practice, however, does not in itself authorize a person to perform attestation functions for the public. An additional 375 hours of experience in attest functions must be obtained prior to signing off on an audit, compilation or review prepared for the public. SDCL: 36-20B-32.1 Requires all attest services to be performed through a licensed firm.
