Any person, club, corporation, association, or entity aggrieved by an order under this subdivision may make an appeal pursuant to chapter 1-26;

- (2) Injunction: if the commission deems it necessary for the public safety or the safety of competitors or participants in a competition or sparring exhibition, the commission may bring an action in the name of the state in the circuit court in any county in which jurisdiction is proper to enjoin the act, practice, or violation and to enforce compliance with this chapter or any rule promulgated pursuant to this chapter. Upon showing that a person, club, corporation, association, or entity has engaged in an otherwise unauthorized act or practice, a permanent or temporary injunction, or restraining order, or other appropriate relief shall be obtained against the person, club, corporation, association, or entity to prohibit the continuation of the unauthorized act or practice;

Action taken pursuant to this section does not relieve a party from criminal prosecution by a competent authority or from disciplinary action by the commission with respect to the party's application, registration, license, or renewal.

Section 21. That chapter 42-12 be amended by adding thereto a NEW SECTION to read as follows:

The commission or hearing examiner shall issue a report within thirty days of the close of the contested case hearing record.
