Oral Testimony
School representatives Angela Taylor from Stewart School and Shawn Venjohn from Lake Area Technical Institute-Cosmetology Program expressed concern about the deletion of rule
Senior instructor education exception. This will leave the schools in a bind when an emergency arises, such as a licensed instructor calling in sick. Attorney Graham Oey responded that in reviewing proposed changes to instructor licensing, he determined there had not been legal authority to adopt this rule in 2013, so it needs to be deleted at this time. It will require legislative action to approve licensed cosmetologists to work as substitute instructors for 80 hours or less per year without an instructor license.

President Ugofsky stated that anyone wishing copies of the minutes of the commission meeting or notices of commission meetings could call or write the Cosmetology Commission.

IT WAS MOVED BY Laurie Brandner, seconded by Crystal Carlson, to adjourn. The motion prevailed on a roll call vote with Lori Berreth, Laurie Brandner, Crystal Carlson, Lori Little and Tammy Ugofsky voting aye.

Respectfully submitted,
