LICENSE RENEWAL

PERSONAL LICENSE – $20 Renewal Fee
Renews annually on or before your birth date.

SALON OR BOOTH LICENSE – $35 Renewal Fee
Renews annually on or before anniversary of opening date.

PENALTY FOR LATE RENEWAL – $20 Penalty Fee
The $20 penalty fee is assessed for each year a license is not renewed by the expiration date shown on the license. There is no grace period if the expiration date is missed. To avoid the $20 penalty fee, remember to have your renewal postmarked on or before the expiration date.

You may still renew any license in January or wait until the expiration date on your license(s).
You may renew your personal license and salon or booth license at the same time. In order to avoid the $20 penalty, be sure you renew before the expiration date of whichever license expires first each year.
Some licensees have told us that they mark their appointment calendars so they remember to renew well in advance of the expiration date.

We do not currently have online renewals. We cannot take debit or credit cards. You need to either mail in a personal check or money order.

SALONS & BOOTH RENTAL INFO
1. You need to apply for a booth license if you rent space in a salon. (This means that you own your own business and are not an employee of the salon.)
2. Booth and salon licenses are not transferable. If you move your booth to a new salon, or if the salon moves, you must apply for a new salon or booth license.
3. The application fee for a new salon or booth permit is $60. You will be issued a temporary permit and an inspector will inspect your salon or booth within the first 90 days of opening. After your salon or booth passes inspection, you will be issued a license that you must renew each year on the anniversary of your salon or booth opening. Renewal fee is $35.
4. A salon will fail its annual inspection if all licenses (including booth rental licenses) are not current. A re-inspection fee of $50 will be imposed.
5. If you close your salon or booth, you are required to contact the Cosmetology Commission office to let us know.

YOUR LICENSE - PARTS
Just a reminder. Your license is in three parts. The upper part is your receipt and card to be used for the supply store purchases. The center is your license on safety paper so it cannot be copied. The center must be posted at your station when you are working. The bottom is your renewal form for the upcoming year. You need to send in this renewal form when you renew. The required fee is on the renewal form.

Alert:
See the bottom of your renewal form for the renewal fee!

Salon & Booth Inspection Failures
If you fail your salon or booth inspection, a $50 re-inspection fee will be imposed.
Continuing Education
Required for Electric Files & Microdermabrasion Machines

A licensee must have continuing education BEFORE using an electric file/drill or a microdermabrasion machine. Electric files require 8 hours of education. Microdermabrasion requires 16 hours of education.

YOU MUST SEND IN PROOF OF YOUR EDUCATION TO THIS OFFICE and it will be printed on your license.

If the inspector sees you using these machines, and it is not certified on your license, your salon or booth will fail its inspection.

Please call the office for further information on a list of schools where you can receive this education in South Dakota.

YOUR SCOPE OF PRACTICE

Do you know your scope of practice? We were surprised that many cosmetologists did not realize their cosmetology license allowed them to do esthetics (skin care).

Cosmetology includes hair (including non-permanent hair removal, waxing), nails (manicures, pedicures, and artificial nails), and esthetics services (facials, body wraps).

Nail technology includes manicures, pedicures, and artificial nails. Nail technicians CANNOT perform hair removal (waxing).

Esthetics includes any type of skin services for beautification – and includes the whole body, not just the face. All details on our website.
