Unregulated services sign in salons – any service offered within a salon that is not a cosmetology practice must be clearly identified as an unregulated service and listed on a sign conspicuously posted in the reception area. Unregulated services are: tattooing, tanning, permanent makeup, electrolysis, massage therapy, and body and ear piercing. (You may complete and post the below sign). The sign shall state:

Unregulated Services: The f	following services offered by Salon are not regulated
by the South Dakota Cosmo
