#### SOUTH DAKOTA ELECTRICAL COMMISSION

# 2024 South Dakota Electrician Renewal Step-by-Step Guide

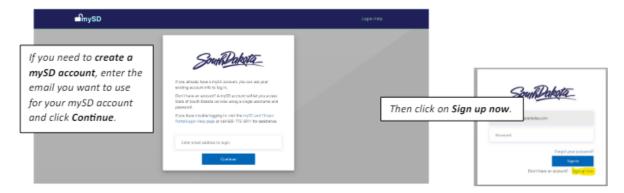

Go to the Online Licensee Portal. You can also find the portal link on our License and Forms webpages.

This year, you are required to have a valid email address to renew your license

When you get to the new licensing site, click on Licensee Portal.

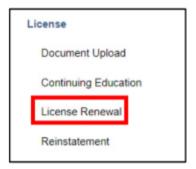

You will be taken to the mySD login screen, where you will login to your existing mySD account. If you do not have a mySD account, you will need to create one.

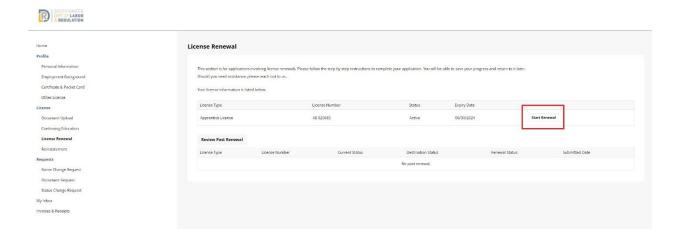

The system will guide you through the process and return you to the Licensee Portal.

If you receive an error message when you attempt to log in, please email <u>electrical@state.sd.us</u> or call the Electrical Commission office at 605.773.3573 with your license number and correct email information so that we may update your account.

Once you are logged into the Licensee Portal, you will select License Renewal on the left-hand side.

Your license(s) information should be listed to the right. Click **Start Renewal** next to the license you are attempting to renew.

## Step 1 - Personal Information

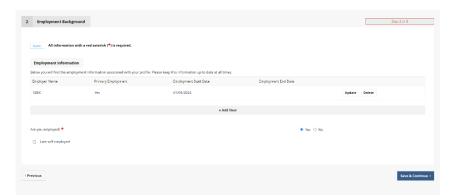

Ensure your demographic information is correct. All required items will have a red asterisk next to them.

## Step 2 - Employment Background

Ensure your employment information is up to date.

If there is no employment listed, click + Add New and enter the required information. Once the required information is entered, click Save & Continue.

If an employer is listed but you need to update the information, click Update.

If you are self-employed, check the box next to "I am self-employed."

### Step 3 – Status Change Request

If your license is currently active, it should be set to **Active**.

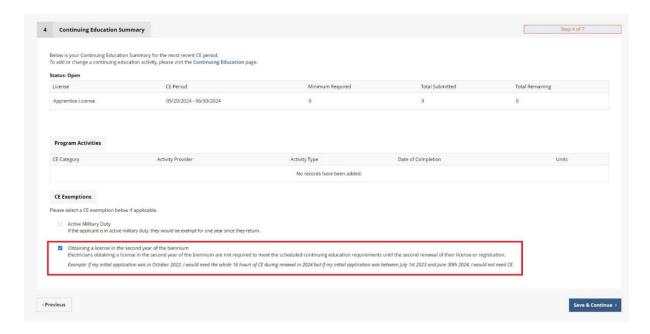

If you'd like to close your license, choose **Closed** from the drop-down.

If you'd like to change it to inactive, choose **Inactive** from the drop-down.

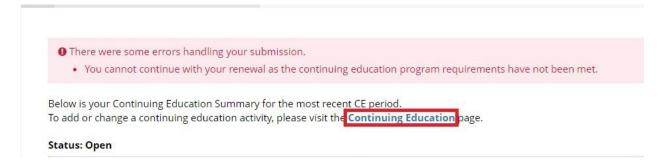

After you've made your selection, click Save & Continue.

## **Step 4 – Continuing Education Summary**

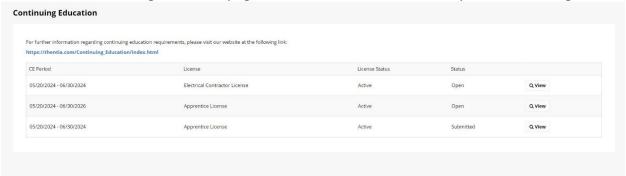

If you received your license after July 1, 2023, you are not required to meet the CE requirements and will click the "Obtaining a license in the second year of the biennium" box under CE Exemptions and then Save & Continue.

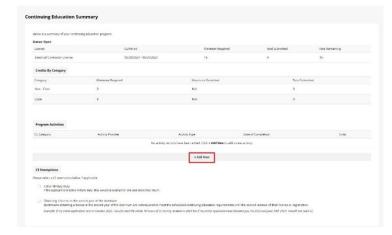

If you received your license prior to July 1, 2023, you must visit the **Continuing Education** (CE) page and add your CE credits before you can proceed with your renewal.

Once on the Continuing Education page, click View next to the license you are renewing.

Click + Add New in the middle of the page and enter the required information. If the provider is not listed, click any of the ones listed and upload your certificate. After the required information is entered, click Save & Back. Repeat for any additional CE credits. Once all CE credits are loaded, click License Renewal on the left-hand side and then Continue next to the license you have started a renewal for. Click Save & Continue.

### Step 5 - Declarations

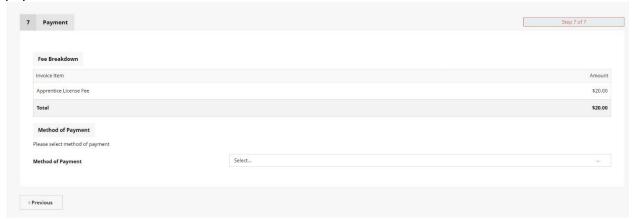

Answer yes or no to both questions and then click Save & Continue.

### Step 6 – Attestations

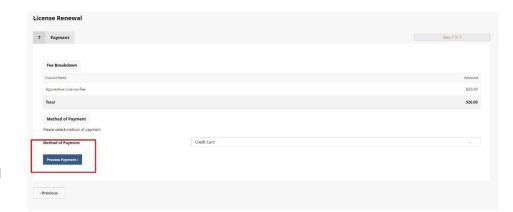

Read and check the box next to each attestation. Draw your signature and then click Save & Continue.

## Step 7 - Payment

Acceptable methods of payment are check, credit card, or money order. Choose your preferred payment method.

To pay by credit card: Select Credit Card and click Process Payment. enter your credit card information and pay your fees securely online. After your payment has been successfully processed, you'll be returned to the renewal application. Click Submit to complete the renewal process.

If paying by check/money order: Select Pay by Check/Money Order and click Submit. You'll receive an email that your renewal application has been successfully submitted.

**Approval of Renewal:** Your application will be automatically approved if you pay via credit card. If you pay via check or money order, the Electrical Commission will manually approve your application once your fee(s) has/have been received.

Once approved, you will receive an email titled SDEC – Renewal – Approved. This completes the renewal cycle for 2024.
