Re: Application for South Dakota Nonresident Insurance Producer License  
File #1002159

Dear Shana Allen,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license on July 23, 2013. You disclosed in your application that you were charged with a felony and that the judgment was deferred. However, you did not provide all the information required in the license application. The Division contacted you on July 29, 2013 requesting a copy of the charging document. You failed to supply the requested documentation.

Therefore, your application is denied based upon SDCL 58-30-167 (1) for providing incomplete information.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

A handwritten signature in cursive script that reads 'Johanna Nickelson'.
