RE: Application for Non-Resident Insurance Producer License

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on September 8, 2017. On your answer to the application questions concerning whether or not you have ever been a party an administrative proceeding; you answered "No". In reviewing your file, it was discovered that you were subject to an administrative in California.

The Division attempted to correspond with you on September 12, 2017 asking you to provide an explanation regarding the administrative action. Having received no response, the Division again wrote to you on October 19, 2017 regarding the administrative action. Having again failed to receive a response, the Division called and left you a voice mail on November 13, 2017. To date, the Division has had no contact from you regarding the misstatements on your application.

Based on the above information, your application is denied based on SDCL § 58-30-167(1) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; and based on SDCL § 58-167(2) for violating any insurance laws or rules of this or another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Dan Nelson
Assistant Director
South Dakota Division of Insurance
