RE: Application for Insurance Producer License

Dear Ms. Manwill,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on August 22, 2018. On your answers to the application questions concerning misdemeanor and felony convictions, you indicated have misdemeanor and felony convictions. You provided documentation of prior misdemeanor convictions and felony charges with your application. On your answer to the application question concerning administrative actions, you indicated that you had not been involved in in an administrative proceeding. However, you were the subject of an administrative action in the State of California. You provided documentation of your criminal history and the California administrative action.

The Division wrote to you on September 18, 2018 to request a written explanation regarding incorrect information on your application and requested information of possible additional convictions. After receiving no response, the Division wrote to you on October 22, 2018 making the same request. To date, the Division has not received a response.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), and (8) for providing incorrect information, for violating another state's insurance laws, and demonstrating untrustworthiness.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Dan Nelson, *Assistant Director*
South Dakota Division of Insurance
