RE: Application for Insurance Producer License

Dear Mr. Thomas,

This letter is to notify you that your renewal application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted a renewal application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on May 31, 2018. On your answer to the application question concerning administrative actions, you indicated you had not been involved in an administrative proceeding. You had an administrative action against you in the State of Illinois on March 14, 2018 that resulted in Illinois suspending your license. You failed to report the Illinois administrative action to the Division within 30 days.

The Division wrote to you on May 16, 2018 to request a copy of the Illinois administrative action and a written explanation. As no response was received, the May 16, 2018 letter was forwarded onto your business address on June 15, 2018. You responded to the Division on June 19, 2018 with the requested administrative action and explanation.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), (8), (9), and 58-130-193 for providing incorrect information, for violating South Dakota's insurance laws, for demonstrating untrustworthiness, for having your license suspended in another state, and for failing to report an administrative action.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Dan Nelson, *Assistant Director*
