RE: Application for Insurance Producer License

Dear Mr. Welch,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on August 13, 2018. On your answer to the application questions concerning felony convictions, you indicated have a felony conviction. You provided documentation of your felony convictions with your application.

The Division wrote to you on August 23, 2018 to request a written explanation regarding whether you have other convictions and measures you have taken to avoid unlawful activity. After receiving no response, the Division wrote to you on September 24, 2018 making the same request. To date, the Division has not received a response from you.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167(1), (2), and (6) for providing incomplete information, for violating South Dakota's insurance laws, and for having a felony conviction.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Dan Nelson, *Assistant Director*
South Dakota Division of Insurance
