RE: Denial of Insurance Producer License

Dear Armanda Brown,

This letter is to notify you the South Dakota Division of Insurance ("Division") is denying your non-resident insurance producer application, which was submitted to the Division on October 7, 2018. The reason for the denial is as follows:

You answered "yes" to the question "Have you ever been convicted of a misdemeanor, had a judgment withheld or deferred, or are you currently charged with committing a misdemeanor?" However, you failed to provide the required documentation. You also answered "no" to whether you had been involved or named in an administrative proceeding. Our records show you were subject to a 2014 Wisconsin administrative action. The Division attempted to contact you on October 29, 2018, November 27, 2018, and December 17, 2018 requesting the required documentation and an explanation as to why you provided incomplete information on the license application. To date, no response has been received.

Due to the above, your license application is denied pursuant to SDCL §§ 58-30-167(1) for providing incorrect or incomplete information in an application and 58-30-167(9) for having your license denied in another state.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your license.

Sincerely,

Daniel R. Nelson
