**STATE OF SOUTH DAKOTA

**IN THE MATTER OF  
PAUL WELLS**

**INS 19-13  
PROPOSED DECISION**

This matter came for hearing before the Office of Hearing Examiners on April 3, 2019 pursuant to a Notice of Hearing issued by the South Dakota Division of Insurance (“Division”) on February 27, 2019. Lisa M. Harmon appeared as counselor for the Division. Paul Wells did not appear, either in person or through counsel. The Division admitted its Exhibits DOI 1 through DOI 5 into evidence and moved that the Hearing Examiner enter these Proposed Findings of Fact, Conclusions of Law, and Proposed Decision as a default disposition to this contested case.

**ISSUE**

Whether the Non-Resident Insurance Producer License of Paul Wells should be revoked due to failing to timely respond to the Division; failing to timely report administrative actions to the Division; and for having a suspension and revocation actions in other states in violation of SDCL §§ 58-30-167(2) and (9), 58-30-193, 58-33-66, and 58-33-68.

**FINDINGS OF FACT**

1. Paul Wells was licensed by the Division as an insurance producer on April 4, 2017. The license is currently active. (Exhibit DOI 1).
2. Paul Wells was the subject of administrative actions in different jurisdictions. (Exhibits DOI 2 and DOI 5).
3. Paul Wells did not report the administrative actions to the Division.
4. The Division sent inquiries to Paul Wells at the address of record regarding licensure matters. (Exhibits DOI 3 and DOI 4).
5. Paul Wells did not respond to the Division’s inquiries. (Exhibits DOI 3 and DOI 4).
6. Any additional Findings of Fact included in the Reasoning section of this decision are incorporated herein by reference.
7. To the extent any of the foregoing are improperly designated and are instead conclusions of law, they are hereby redesignated and incorporated herein as conclusions of law.

## REASONING

This case involves a request by the Division to revoke the South Dakota Non-Resident Insurance Producer's License of Paul Wells. As a consequence of the potential loss of Respondent's livelihood from the lack of licensure, the burden of proof in this matter is higher than the preponderance of evidence standard, which applies in a typical administrative hearing. "In matters concerning the revocation of a professional license, we determine that the appropriate standard of proof to be utilized by an agency is clear and convincing evidence." *In re Zar*, 434 N.W.2d 598, 602 (S.D. 1989). Our Supreme Court has defined "clear and convincing evidence" as follows:

The measure of proof required by this designation falls somewhere between the rule in ordinary civil cases and the requirement of our criminal procedure, that is, it must be more than a mere preponderance but not beyond a reasonable doubt. It is that measure or degree of proof which will produce in the mind of the trier of facts a firm belief or conviction as to the allegations sought to be established. The evidence need not be voluminous or undisputed to accomplish this.

*Brown v. Warner*, 78 S.D. 647, 653, 107 NW2d 1, 4 (1961).

SDCL 58-30-193 states that "[A]n insurance producer shall report to the director any administrative action taken against the insurance producer in another jurisdiction... within thirty days of the final disposition of the matter. This report shall include a copy of the order, consent order, or other relevant legal documents." SDCL 58-33-66(1) requires Paul Wells to respond to the Division and supply requested documents within twenty days from the receipt of a request. In addition, the Division considers SDCL 58-30-167 (shown in pertinent part) as follows:

The director may... revoke or refuse to continue, any license issued under this chapter... after a hearing... The director may... revoke... an insurance producer's... for any one or more of the following causes:

- (2) Violating any insurance laws or rules, subpoena, or order of the director or of another state's insurance director, commissioner, or superintendent;
- (9) Having an insurance producer license, or its equivalent, denied, suspended, or revoked in any other state, province, district, or territory;

The evidence indicates that Paul Wells violated the insurance laws of another jurisdiction, failed to report those actions, had a license suspended and revoked in other jurisdictions, and failed to respond to Division inquiries regarding the action. Applying the law to the Findings of Fact it is clear the Non-Resident Insurance Producer License of Paul Wells is subject to revocation and should be revoked.

## CONCLUSIONS OF LAW

1. The Division has jurisdiction over Paul Wells and the subject matter of this contested case. The Office of Hearing Examiners is authorized to conduct the hearing and issue a proposed decision pursuant to SDCL 1-26D-4.
2. The Division bears the burden of establishing the alleged statutory violations by clear and convincing evidence.
3. The Division established by clear and convincing evidence that Paul Wells violated SDCL § 58-30-193.
4. The Division established by clear and convincing evidence that Paul Wells violated SDCL § 58-33-66.
5. The Division established by clear and convincing evidence that the South Dakota Non-Resident Insurance Producer License of Paul Wells is subject to revocation pursuant to SDCL§ 58-33-167(2) and (9).
6. Any additional Conclusions of Law included in the Reasoning section of this decision are incorporated herein by reference.
7. To the extent any of the foregoing are improperly designated and are instead findings of fact, they are hereby redesignated and incorporated herein as Findings of Fact.

Based on the above Findings of Fact, Reasoning, and Conclusions of Law, the Hearing Examiner enters the following:
