RE: Application for Insurance Producer License

Dear Mr. Calixte,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on January 23, 2020. You answered "yes" to question 1A of the licensing application asking if you had ever been involved in administrative actions. You also answered "yes" to question 2 of the licensing application asking if you had ever been convicted of a misdemeanor criminal offense.

The Division wrote to you on February 5, 2020 asking you provide documentation on the administrative actions and misdemeanor convictions as well as an explanation. The Division received no response from you and wrote a citation letter on April 23, 2020. You thereafter provided the Division with the requested documentation and explanation, which illustrated that you had been the subject of five administrative actions involving the revocation or denial of a license, and that you had been convicted on misdemeanor marijuana charges in 2014, 2015, 2016, and 2018.

Based on the above information, your application is denied under SDCL §§ 58-30-167(2), (8), and (9) for violating another state's insurance laws, demonstrating incompetence or untrustworthiness in the conduct of business in this state or elsewhere, and for having your license revoked or denied in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written application within 30 days of the date of this denial for a hearing to determine your application for licensure.

Sincerely,

Maggie Dell
