RE: Application for Insurance Producer License

Dear Mr. Crawford,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on July 7, 2020. You answered "yes" to having been charged with or convicted of a misdemeanor and "yes" to having been charged with or convicted of a felony. You answered "no" to having been the subject of any administrative actions. The Division conducted an investigation and corroborated that you had been convicted of misdemeanor restraining order and battery violations in Florida in 2004 and 2006, respectively. You were also convicted of felony burglary in Florida in 1991. You had been subject to an administrative action in Indiana in 2020 where your license application was denied. The Division contacted you on July 20, 2020 via letter and email at the addresses you provided in your application requesting explanations regarding your criminal history and administrative action, as well as any relevant documentation. The Division received no response and again sent correspondence on August 19, 2020. The Division has never received a response from you.

Based on the above information, your application is denied under SDCL § 58-30-167(1), (2), (3), (6), (8), and (9) for providing incorrect, misleading, incomplete, or materially untrue information in your license application, violating insurance laws, attempting to obtain a license through misrepresentation or fraud, having been convicted of a felony, using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere, and having an insurance license application denied in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a writ days of the date of this denial for a hearing to dete application for licensure.

Sincerely,

Maggie Dell (handwritten signature)
