RE: Application for Insurance Producer License

Dear Mr. Parrish,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

On April 16, 2020, the South Dakota Division of Insurance (“Division”) received an application for a nonresident insurance producer license from you. You answered you answered “yes” to having been the subject of administrative actions, “yes” to having been convicted of a misdemeanor, and “no” to having been convicted of or having judgment deferred on a felony. However, the Division conducted an investigation and found that on March 11, 1992, you were put on probation for felony Conspiracy First Degree Criminal Trespass.

On May 27, 2020, the Division attempted to contact you at the email address you provided in your application to ask why you provided incorrect, misleading, incomplete, or materially untrue information in your application. The Division received no response and again attempted to contact you by email on August 20, 2020. The Division again received no response, and on August 21, 2020 mailed you at the mailing address provided in your application. You did not respond, so the Division attempted to call you on September 22, 2020 and October 15, 2020 but never received an answer.

Based on the above information, your application is denied under SDCL 58-30-167(1), (2), (3), (8), and (9) for providing incorrect, misleading, incomplete, or materially untrue information on your license application, violating the insurance laws of another state, attempting to obtain a license through misrepresentation or fraud, demonstrating incompetence or untrustworthiness in the conduct of business in this state or elsewhere, and having an insurance producer license suspended in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state. Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Maggie Dell, Assistant Director
South Dakota Division of Insurance
Department of Labor and Regulation
