RE: Application for Insurance Producer License

Dear Ms. Dellinger,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

On August 13, 2020, you submitted to the South Dakota Division of Insurance ("Division") an application for a nonresident insurance producer license. You answered "yes" to having been convicted of a misdemeanor, "yes" to having been convicted of a felony, and "yes" to having applied for written consent to engage in the business of insurance under 18 U.S.C. § 1033. The Division conducted an investigation and concluded that you were convicted of Misdemeanor Larceny in Wyoming in 1997, Felony Shoplifting in Wyoming in 2011, and Misdemeanor Defrauding an Innkeeper in Wyoming in 2017. You also submitted limited documentation to the Division concerning another criminal case in Wyoming that was dismissed in October 2017.

The Division wrote and emailed you on August 24, 2020, requesting additional documentation on the dismissed 2017 case and your § 1033 waiver. The Division received no response to this correspondence and sent it again on September 25, 2020. You left the Division a message over the phone on September 29, 2020, stating that you were working with a licensing coordinator. On October 1, 2020, you sent an email to the Division providing the same documentation you had with your application. The Division wrote you in response on October 9, 2020, informing you that you did not provide the needed documents. The Division never received a response and called and left you a message on October 27, 2020. On November 12, 2020, a licensing coordinator contacted the Division requesting a status update, and the Division responded that complete a response to the prior correspondence was needed. The Division never received a complete response.

Based on the above information, your application is denied under SDCL 58-30-167(1), (2), (6), and (8) for providing incorrect, misleading, incomplete, or materially untrue information in the license application, violating any insurance laws or rules, subpoena, or order of the director or of another state's insurance director, commissioner, or superintendent, having been convicted of a felony, and using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

*Maggie Dell, Assistant Director
South Dakota Division of Insurance
Department of Labor and Regulation*
