RE: Application for Insurance Producer License

Dear Ms. Delong,

This letter is to notify you that your renewal application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You are licensed nonresident insurance producer in South Dakota where your license expired on January 31, 2021. You submitted a renewal application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on January 11, 2021. On your answers to the renewal application questions, you answered "No" to all questions, including the question concerning administrative actions. While investigating your renewal application, it was discovered that you were the subject of administrative actions in the states of Louisiana, Washington, and Indiana. The state of Louisiana imposed a monetary penalty on October 27, 2020 for failure to make a required disclosure on a license application, while you were licensed in South Dakota. The state of Louisiana suspended your license on February 3, 2021 for failure to pay the monetary penalty and failure to make a required disclosure on a license application, while you were licensed in South Dakota. The state of Washington revoked your license on April 26, 2021 for failing to report an administrative action and failing to respond, while you were licensed in South Dakota. The state of Indiana suspended your license on June 14, 2021 for failing to timely provide a list of appointments, while you were licensed in South Dakota.

Due to this, the Division wrote to you on January 28, 2021 via regular mail and email regarding your incorrect responses on the renewal application, failure to timely report administrative actions, and requested copies of the administrative actions. Having failed to receive a response from you, the Division wrote to you on March 1, 2021 via certified mail, regular mail, and email requesting a response. The Division wrote to you again on May 24, 2021 regarding your administrative actions from the states of Louisiana and Washington. To date, the Division has not received a response from you.

Based on the above information, your renewal application is denied based upon SDCL 58-30-167(1), (2), (3), (8), & (9), 58-30-193, and 58-33-66(1) for providing incorrect, misleading, incomplete, or materially untrue information in a license application; violating the insurance laws or rules of the State of South Dakota and another state; obtaining or attempting to obtain a license through misrepresentation or fraud; using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; having an insurance producer license, or its equivalent, denied, suspended, or revoked in another state; failing to report an administrative action taken against the insurance producer in another jurisdiction within 30 days of the final disposition of the matter; and failing to respond to an inquiry from or failing to supply documents requested by the Division within 20 days of receipt of such inquiry or request.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Maggie Dell, *Assistant Director*
