RE: Application for Insurance Producer License

Dear Ms. Ojo-Rowland,

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on August 27, 2020. You answered "yes" to having been convicted of a felony. The Division conducted an investigation that verified you were convicted of felony Attempted Monetary Instrument abuse in Louisiana on October 25, 2010.

Based on the above information, your application is denied under SDCL 58-30-167(2), (6), and (8) for providing violating any insurance laws or rules, subpoena, or order of the director or of another state's insurance director, commissioner, or superintendent, having been convicted of a felony, and using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

A handwritten signature in cursive script that reads "Maggie Dell".
