Re: Application for South Dakota Non-Resident Insurance Producer License

Dear Ms. Alegria,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on February 14, 2022. You answered "yes" to Question 1B of the licensing application asking if you had ever been convicted of a felony.

You contacted the Division on March 30, 2022, stating documents had been added online and asking as to the status of your application. The Division responded on March 30, 2022, stating the application was under review. The documents provided were regarding two counts of possession with intent to distribute marijuana. The documents also stated you had completed supervised release on July 24, 2021. The Division wrote to you on May 4, 2022, requesting a statement as to why you should be granted a license and an explanation as to how you would abstain from future conduct that is unlawful, dishonest, deceitful, or fraudulent. The Division received no response and wrote a citation letter on June 9, 2022, which was sent via email, first-class mail, and first-class certified mail. No response was received. A call was placed to your home phone of record on August 4, 2022, in an attempt to contact you. You asked the Division to forward its previous correspondence via email and that you would respond. The Division asked for a complete response by August 9, 2022. The Division forwarded the correspondence, but no response was received.

Therefore, your application is denied based upon SDCL 58-30-167(1), (2), and (6) for providing incomplete information in the license application, violating any insurance laws, rules, or order of another state's insurance director, and having been convicted of a felony.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.
