RE: Application for Insurance Producer License/Denial

Dear Marquita Johnson,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for of an individual non-resident insurance producer license to the South Dakota Division of Insurance (“Division”) July 2, 2021. On your application you answered “YES” to questions 1A and 1B indicating that you have a misdemeanor and felony conviction. You supplied the required information and provided documentation that you have been charged or found guilty of the following crimes:

- 2017 Misdemeanor – Possession of a Controlled Substance
- 2017 Misdemeanor – Possession of Drug Paraphernalia
- 2020 Felony – Domestic Assault
- 2020 Felony – Unlawful use of weapon

Due to your 2020 felony charges not having a final resolution, the Division wrote to you via email, on September 15, 2021, for an update on the criminal proceedings. You failed to respond to the Division, so on October 21, 2021, the Division again wrote you again via email asking for an update. Having again failed to receive a response, on December 1, 2021, the Division wrote to you via certified mail, advising you that you have violated the South Dakota Insurance Code for failing to respond and again asking for an update. You called shortly after receiving the certified letter and stated the felony proceedings were still pending.

Upon further investigation into your application, it was discovered that after you applied for licensure in South Dakota, that Kansas, Pennsylvania, and Illinois have all denied your application for licensure.

Based on the above information, your application is denied based upon SDCL §§ 58-30-167 (8) & (9); for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state; and for having an insurance producers license or its equivalent denied or revoked in a different jurisdiction.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Jill Kruger
