RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You applied for an individual resident insurance producer license to the South Dakota Division of Insurance ("Division") on February 11, 2022. In your application, you answered "YES" to questions 1(a) and 1(b), indicating that you have been convicted of both a felony and a misdemeanor. You provided documentation regarding the following charges:

- felony charge for Possession of Controlled Substance
- felony charge for intentional damage to property
- misdemeanor charge for intentional damage to property
- misdemeanor charge for ingesting a controlled substance
- misdemeanor charge for Misprision of Felony

A review of the documentation showed that you did enter into a plea agreement where you plead guilty to the felony charge of Possession of a Controlled Substance and plead no contest to the misdemeanor charge of intentional damage to property in exchange for the state dismissing the felony charge of intentional damage to property and dismissing the misdemeanor charge for ingesting a controlled substance and the misdemeanor charge for Misprision of Felony. You additionally were able to complete the terms of your probation and were granted a suspended imposition of sentence regarding the felony charge of Possession of a Controlled Substance.

While investigating your application, it was also discovered that you failed to provide documentation relating to two additional misdemeanor charges for being a social host and possession of drug paraphernalia.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and based upon SDCL §§ 58-30-167(1) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; and upon 58-30-167(8) for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an

insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Jill Kruger
Deputy Director
South Dakota Division of Insurance
Department of Labor and Regulation
