RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You applied for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on June 14, 2021. In your application, you answered "YES" to questions 1(a), indicating that you have been convicted of a misdemeanor. However, you failed to provide complete documentation for all your convictions.

Due to this discrepancy, on June 15, 2021 the Division wrote you via email for an explanation. Having failed to receive a response, on August 30, 2021 the Division wrote to you again, this time via certified mail, informing you that had violated the insurance code by not responding within 20 days and again asking for an explanation about the missing documentation. Having again failed to receive a response, on December 21, 2021, the Division reached out to your listed employer, who advised that you were no longer employed at their firm but that they would forward all messages on to your personal email. As of the date of this letter, the Division has not had any correspondence from you.

Based on the above information, your application is denied because you have been determined not be in good standing under ARSD 20:06:01:03 and based upon SDCL §58-30-167(1),(2),(8) & (9) for providing untrue or incomplete information in the license application; for violating the insurance laws or rules;; for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere; and for having an insurance producer license, or its equivalent, denied in another state.

Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL § 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Tony Dorschner
