Re: Application for South Dakota Non-Resident Insurance Producer License

Dear Mr. Sutton,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on August 26, 2021. You answered "no" to Question 2 of the licensing application asking if you had ever been named or involved as a party in an administrative proceeding.

On August 27, 2004, the Alabama Division of Insurance reviewed your application for an insurance producer license. A fine was applied due to a misstatement on the application. The Alabama decision was not reported to the Division in your application.

The Division wrote to you on October 8, 2021, requesting documentation explaining the Alabama administrative action. The Division received no response and wrote a citation letter on December 8, 2021, which was sent via email, first-class mail, and first-class certified mail. No response was received. An additional attempt at contact was made on April 8, 2022, with calls placed to your home phone and business phone of record. The Division received no response from either phone call.

Therefore, your application is denied based upon SDCL 58-30-167(1) and (2) for providing incomplete information in the license application and violating any insurance laws, rules, or order of another state's insurance director.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within 30 days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely

Tony Dorschner, *Assistant Director Producer Licensing*
