Re: Application for South Dakota Non-Resident Insurance Producer License

Dear Ms. Thompson-Noble,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on January 17, 2022. You answered "yes" to Question 1A and Question 1B of the licensing application asking if you had ever been convicted of a misdemeanor or a felony. Documents were provided regarding a charge of fraudulent checks in South Carolina, but the documents were incomplete.

The Division wrote to you on May 2, 2022, requesting an explanation as to the facts and circumstances of the charge and a copy of the initial charging documents and final deposition. The Division received a response stating that you were no longer with All State and was provided with your personal email. The Division forwarded its May 2 letter on May 3, 2022, to the new email. The Division received no response and wrote a citation letter on June 9, 2022, which was sent via email, first-class mail, and first-class certified mail. No response was received. The Division wrote to you on August 4, 2022, stating a response was needed by August 9, 2022. No response was received.

Therefore, your application is denied based upon SDCL 58-30-167(1) and (2) for providing incomplete information in the license application and violating any insurance laws, rules, or order of the state's insurance director.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.
