RE: Application for Insurance Producer License

Mr. Amiot,

This letter is to notify you that your application for licensure as an insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application to the South Dakota Division of Insurance ("Division") for an individual insurance producer license on April 15, 2022. You answered "yes" regarding questions about felonies and "no" to the question about misdemeanors. You provided evidence of misdemeanors and a felony from the period 2001 to 2011 including crimes for trespass, disorderly conduct, driving without a license, several drug crimes, and driving while intoxicated. Your 2001 felony case was for theft of property, and you did not provide a copy of the sentencing or the judgment of conviction. The Division conducted an investigation of your application, ultimately asking for an explanation as to the incorrect answer to the misdemeanor question and to provide a copy of the 2001 felony conviction on December 1, 2022. On December 27, 2022, another set of communications, including letters and an e-mail were sent because you failed to respond to the December 1, 2022 communication. On January 30, a phone call was placed to attempt to raise you, but you did not answer and a voicemail was left. To date, no response has been received regarding the Division's inquiries regarding your application.

Based on the above information, your application is denied under SDCL 58-30-167(1), (3), (6), and (8) for providing incorrect, misleading, incomplete, or materially untrue information in the license application; for attempting to obtain a license through misrepresentation; for having been convicted of a felony; and for using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere. Please note that this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

A handwritten signature in cursive script that reads "Tony Dorschner".
