RE: Application for Insurance Producer License/Denial

This letter is to notify you that your application for licensure as a nonresident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance ("Division") on May 16, 2022. On your application, you answered "NO" to question 2 regarding past administrative actions. However, in reviewing your application, it was discovered that you do have an administrative action from the state of New York from 2020.

Due to this discrepancy with your application, on July 21, 2022, the Division wrote to you asking for an explanation. You responded on August 2, 2022 with documentation showing that New York denied your license because you failed to report your criminal prosecution and you demonstrated untrustworthiness within the meaning and intent of the Insurance Law.

Based on the above information, your application is denied because you have been determined not to be in good standing under ARSD 20:06:01:03 and for violating SDCL 58-30-167(1),(2) & (9), for providing incorrect or incomplete information on your application; for violating the insurance laws or rules of South Dakota or any other state; and for having an insurance license denied or revoked in another state.

Please note this denial is considered an administrative action which will be reported to the database maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.
