Re: Application for South Dakota Non-Resident Insurance Producer License

Ms. Wiggins,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You submitted an application for an individual nonresident insurance producer license to the South Dakota Division of Insurance (“Division”) on March 16, 2022. On your answers to the application questions, you answered “Yes” to the questions concerning misdemeanor and felony convictions. You provided with your application documentation of your felony criminal history involving a dishonest crime, but you did not provide documentation of misdemeanor criminal history.

The Division wrote to you on April 28, 2022 via email requesting clarification, as well as a statement explaining the circumstances of each incident, a copy of the charging document, and a copy of the official document demonstrating resolution or final judgment. You provided a partial response on May 5, 2022 regarding the clarification, but you did not provide the requested documentation. After failing to receive a complete response from you, the Division wrote to you on October 3, 2022 via certified mail, regular mail, and email requesting a response from you. The Division did not receive a response. A call was placed to the phone number of record on November 17, 2022, in an attempt to contact you. To this date, the Division has not received a response from you.

Therefore, your application is denied based upon SDCL 58-30-167(1), (2), and (8) for providing incorrect, misleading, incomplete, or materially untrue information in a license application; violating the insurance laws or rules of the State of South Dakota; and using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility in the conduct of business in this state or elsewhere.

Please note that this denial is considered an administrative action which will be reported to the data base maintained by the National Association of Insurance Commissioners. If an administrative action occurs, an insurance producer may be required to report the action to any and all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.
