RE: Application for Insurance Producer License

Dear Christopher Bolger,

This letter is to notify you that your application for licensure as a non-resident insurance producer in South Dakota has been denied. The reason for the denial is as follows:

You applied for an individual non-resident insurance producer license to the South Dakota Division of Insurance ("Division") on March 19, 2024. On the application, you answered "Yes" to question number 1B and 2 concerning criminal history and administrative actions. You provided information and documentation to the Division regarding a 2017 felony conviction of Delivery of a Controlled Substance in which you were sentenced to 2 years of probation, and \$3100 restitution. You also provided a copies of 2022 California and Florida denial orders.

Based on the above information, your application is denied based upon SDCL 58-30-167 (2), (6), & (9) for violating any insurance laws or rules, or order of the director or of another state's insurance director; having been convicted of a felony; and having an insurance producer license, or its equivalent, denied, suspended, or revoked in any other state.

This denial is considered an administrative action and will be reported to the database maintained by the National Association of Insurance Commissioners. When an administrative action occurs, an insurance producer may be required to report the action to all states in which an insurance license is held and in accordance with the timeframes and requirements of each state.

Pursuant to SDCL 58-30-168, you may make a written request to the Division of Insurance within thirty (30) days of the date of this denial for a hearing to determine the reasonableness of this decision to deny your application for licensure.

Sincerely,

Tony Dorschner

*South Dakota Division of Insurance*
